Ahote, The Restless Falcon

Ahote means "Restless One" in Hopi.
A restless falcon is always busy,
Hunting for prey,
Soaring high in the sky,
Stooping in the rays of the bright sun.
A flawless falcon stays on guard.
Warning whatever passes by,
Fighting anything that threatens its way of life.
A fearless falcon is always standing up against
others,
Furious claws,
Wings of determination,
Beak sharper than a knife,
With eyes of a warrior
that never lie, but are full of tricks.
Ahote, the restless falcon, is always busy.
