Plan Resubmittal Form

If completing this form on a computer, we prefer you print in color but we also accept black ink copies.

This is a transmittal form to be used for submitting **Plan Review Resubmittals** or **Revisions to Permitted Plans**. See Bulletin 219-Plan Resubmittal Instructions for more information.

Achieve a timely review of your plans:

- Fill out the form completely and accurately.
- Be sure to enter the name of the designated recipient.
- Use a large rubberband to wrap the correct resubmittal form around your plans and, if any, subtrade plans. There are separate forms for Building, Electrical, Mechanical-Plumbing, Public Works, and Fire-Hazmat plans.
