With the imminent release of the City Manager's Proposed Operating Budget on May 2, 2016, the Mayor's Budget Office seeks to ensure that every Council Office has a clear understanding of the budget proposal process prior to the release of the Mayor's June Budget Message on June 3, 2016, and the City Council's formal budget approval on June 14, 2016.

Budget Document Development & Template

The Budget Documents represent recommended adjustments to the 2016-2017 City Manager's Proposed Operating Budget that was released for City Council review on May 2, 2016.

Any requests for new funding must specify a funding source (e.g. Essential Services Reserve, Other, or expenditure reduction). Budget recommendations will not be accepted by our office if they do not identify a funding source.

Council Offices must obtain cost estimates related to each proposal from the City Manager's Office. To obtain cost estimates necessary for the development of Councilmember 2016-2017 BDs, Council Offices can use the attached Budget Document Cost Estimate Request form. This form should be completed and submitted to Gloria Schmanek in the City Manager's Office no later than May 13, 2016 (**early submittals are greatly appreciated**). The City Manager's Office will then complete the cost estimates and transmit them back to the City Council Offices no later than May 20, 2016.

Unlike Council Memos, Budget Documents are restricted to one author. Councilmembers are to use the attached standard form to submit a Budget Document to the Mayor's Budget Office on **May 25, 2016 - No later than 5:00 p.m.**

Budget Document Number Assignments

Budget Document numbers will be assigned from the Mayor's Budget Office for tracking purposes. Please see Cindy Escobar, on the 17th Floor, with a final Councilmember signed Budget Document with the following information:

1. Program/Project Title
2. Amount of City Funding Required
3. Fund Type
4. Please specify if it is One-time or Ongoing
5. Funding Source

Budget Document numbers will not be assigned until the Budget Document is signed and ready for distribution.

Electronic Transmission

After the Mayor's Budget Office has assigned a number, all Budget Documents must be distributed electronically in PDF format to all names/departments on the 2016-2017 distribution list. A Global Address list has been updated to simplify distribution under: **#Budget_List**

The original signed hard copy will be required for submission to the City Clerk.

To assist in document tracking, it is imperative for everyone receiving electronic documents to utilize a consistent file title for all Budget Documents. Please save your electronic document with the following format: BD number followed by the title.

Example:

BD #1 – Process Initiation and Budget Document Template

BD # – Project Title

Participatory Budget Pilot Program

Per the approved Mayor's March Budget Message, the City will continue the participatory budgeting in those Council Districts where Councilmembers deem such a process worthwhile in their districts, and worthy of the considerable investment of time from their staff and the community. This program is voluntary. Council Offices wishing to participate in the pilot program should submit a formal Budget Document requesting up to \$250,000 from the Essential Services Reserve.

An important qualification, however: the Mayor's June Budget Message will not allocate General Fund dollars to additional "Budget Document" requests from those Council Offices that have chosen to participate in participatory budgeting with a full \$250,000 allocation. Essentially, the \$250,000 request represents that District's direct allocation from the Essential Services Reserve.

The current participatory budgeting pilot—D3decides—has been a successful collaboration between the City and District 3 residents. The yearlong engagement with community has led to many lessons learned. The Mayor's Office and Council Peralez will present the outcomes of D3decides at our 2016-2017 Budget Study Sessions.
