## RECOMMENDATION

That the following recommendation be enacted.

### Proposal

Program/Project Title: Alviso School Zone Speed Radar Sign

Amount of City Funding Required: \$ 20,000 (one-time) & \$1,000 (ongoing)

Fund Type (i.e. General Fund, C&C funds, etc.): Essential Services Reserve

This change is:

One-time       Ongoing

Proposal Description, including anticipated outcomes (describe how change would affect services for San José residents, businesses, community groups, etc.):

The school zone flashing beacon on southbound N. First Street at Trinity Park Drive has been sporadically operational for a number of years. New flashing beacons and a speed radar sign have been installed on northbound N. First Street at Tony P. Santos Street; but, the beacon on southbound N. First Street & Trinity Park Drive remains nonoperational. The installation of a new speed radar sign to replace the non-operational school zone beacon at that location would strengthen protection for children walking to the library, youth center, George Mayne School, and bus stop.

### Funding Source
