RECOMMENDATION

Downtown Streets Team currently can serve all of San José gateways with weekly clean-ups by 6 team members for \$15,000 per gateway. Currently, District 3 has three gateways along the 280 that do not have any businesses to support or sponsor a gateway. These gateways are some of the most littered and blighted in the CalTrans corridor:

- 7th Street
- 10th Street
- McLaughlin Ave

Weekly clean ups along the three gateways would help improve the beautification of those communities and neighborhoods.
