As we work to build a great city, we should be mindful of the fact that the beneficiaries of our actions will be today's youngsters. While schools are not the domain of the Council, the wellbeing of schools certainly helps with the overall wellbeing of our communities.

I'd like to show a small token of support for the schools in District Four, granting:

- \$1,000 to the Orchard School District
- \$1,000 to George Mayne Elementary in the Santa Clara Unified School District
- \$2,000 to the East Side Union High School District for Independence & Piedmont Hills High Schools
- \$12,000 for the Berryessa Union School District

Funding Source

- Essential Services Reserve (\$4 million)
- Other (Program/Project/Fund): District 4 Office
SAP Grant Fund
