Dear Michael:

We are in receipt of the letter you sent on behalf of IFPTE, Local 21, informing us of your intention to rejoin the Federated Labor Coalition for retiree healthcare negotiations.

The next retiree healthcare negotiation session for the Non-Management Coalition has not been scheduled. At the last session, they agreed to inform us when they would be ready to meet again.

We look forward to hearing from the Federated Labor Coalition when you are ready to meet.

Sincerely,

Alex Gurza
