

Professional Development Program — 4.3.4 City Association of Management Personnel (CAMP)

PURPOSE

The purpose of the Professional Development Program (PDP) for employees represented by the City Association of Management Personnel (CAMP) is to encourage eligible employees to maintain professional skills and knowledge and to further professional growth and development by providing funds for eligible educational and professional related expenses.

SCOPE

This Professional Development Program is available to employees represented by the City Association of Management Personnel (CAMP). Temporary employees are not eligible.

FUNDING/APPROVAL

Eligible employees may be reimbursed for up to a maximum of \$1,000 per fiscal year of eligible expenses. The PDP is intended to supplement Department/Office training and travel funds. Eligible expenses covered by this policy will be non-taxable.

Any request for PDP reimbursement must be reviewed by the employee's supervisor and Department Director in advance to receive preliminary approval, and such preliminary approval may only be given for eligible expenses pursuant to the terms and requirements described herein. Prior to reimbursement being made to the employee, all PDP reimbursement requests are subject to review by the Finance Department and/or the City Manager's Office to ensure that the reimbursement is consistent with the terms and requirements of the Program.

Any amount not used by an employee in one fiscal year may not be carried over to the next fiscal year. **The deadline for submitting a PDP Expense Request Form for any expense of the prior Fiscal Year is the end of the first full pay period of July.**

COURSEWORK, WORKSHOPS, CONFERENCES AND SEMINARS

Eligible courses, workshops, conferences and seminars **must**:

- Relate to and be beneficial for the work of the employee's current City position or occupation
- Satisfy a continuing education requirement of the employee's current City position or occupation **or**
- Prepare the employee for advancement/promotion to positions of greater responsibility in the City that is within the employee's current trade or business.

For coursework such as at a college or university, reimbursement shall be provided only upon successful completion of the course. Employees must show proof of successful completion with a grade of C or better, pass the course if it is on a pass/fail basis, or obtain a certificate of achievement/completion. (The course may either be offered in a classroom environment or online.)

Professional Development Program — 4.3.4 City Association of Management Personnel (CAMP)

For workshops, conferences and seminars, employees may be asked to provide documentation/verification of attendance/participation.

The reimbursement shall be charged against the annual maximum in the fiscal year in which the employee attended the workshop, conference or seminar or the fiscal year in which the course is completed.

Attendance will be on the employee's own time (or approved vacation/executive leave). Attendance at seminars, conferences and workshops may be approved by the employee's supervisor and Department Director to be on City time, however, such approval may only be provided if the seminar, workshop or conference directly relates to the employee's current job.

Eligible Expenses

- **Tuition/Registration Fees for Courses (College and Non-College Accredited Courses)**
- **Required Textbooks**
Textbooks must be those required for an approved course that the employee is taking under this Program.
- **Registration/Attendance Fees for Workshops, Conferences and Seminars**
- **Travel Expenses**

PDP funds are primarily intended to pay for direct costs of education provided locally. However, in instances in which a workshop, conference or seminar requires overnight travel **within California**, a request for payment of travel expenses using PDP funds may be made using a Travel Request Form that must be submitted along with the PDP Expense Request Form. Travel expenses must comply with the City's Travel Policy and shall not exceed the established per diem costs. Payment of travel expenses ineligible for PDP funding, including out of State travel, may be requested under normal travel request procedures pursuant to the City's Travel Policy using available Departmental travel funds. Travel outside of California using PDP funds may be approved in very limited circumstances with approval of the City Manager or applicable Appointing Authority. Such request must be accompanied by a memo detailing the rationale for out of State travel.

Inclusion of travel expenses using PDP funds will be periodically reviewed to ensure that the PDP funds are used in an appropriate and cost-effective manner. Accordingly, the use of PDP funds for travel expenses may be modified or terminated.
