The City and the Successor Agency have retained the independent registered municipal advisors ("Municipal Advisors") listed below for the identified subject areas. The City and the Successor Agency will each rely on the advice of its Municipal Advisors (in the sense that it will seek and consider the advice, analysis and perspective of, before making a determination) in considering information (other than general information that does not involve a recommendation) that market participants provide to us regarding municipal financial products or/and the issuance of municipal securities.

All proposals related to any City or Successor Agency financing, regardless of the issuing authority, and other communications to either the City or the Successor Agency shall be addressed to the City's Debt Administrator at City of San José Finance Department, Debt Management, 200 East Santa Clara Street, 13<sup>th</sup> Floor, San José, California, 95113, or via email at [debt.management@sanjoseca.gov](mailto:debt.management@sanjoseca.gov). If the written proposal received will be seriously considered by the City or the Successor Agency, as applicable, then we will share it with the applicable Municipal Advisor. Please note that aside from regulatorily mandated correspondence between an underwriter and municipal advisor, the underwriter should not speak directly with a Municipal Advisor on matters related to the City or the Successor Agency or send documents directly to a Municipal Advisor on matters related to the City or the Successor Agency unless specifically directed to by the City or Successor Agency, as applicable. Questions or requests for additional information regarding our relationships with our respective Municipal Advisors should be addressed to the City's Debt Administrator using the same contact information noted above.

We have made inquiry of each of our Municipal Advisors regarding the employment of persons who are "Associated Individuals" (within the meaning of the SEC Staff's FAQ No. 3.6). The results of our inquiry are available upon request.
