

## Community Meeting for Streetscape Improvements on Branham Lane, Cherry Avenue, and Foxworthy Avenue

Date: Wednesday, April 29th, 2015

Time: 7:00 – 8:30 PM

Location: Kirk Community Center, 1601 Foxworthy Ave.

Please join us to learn about plans for pavement maintenance and bikeways projects on Branham, Cherry, and Foxworthy.

Branham Lane, Cherry Avenue, and Foxworthy Avenue are scheduled to be re-paved in 2015. Come learn about plans to enhance existing bike lanes and install new ones on each of these streets, including:

- Enhancements to existing bike lanes on Cherry between Curtner and Branham
- Installation of bike lanes on Branham between Dent and Cherry
- Installation of shared-lane markings ("sharrows") on Foxworthy between Meridian and Almaden

This project requires removal of parallel parking on the City street on Branham Lane between Dent Avenue and Cherry Avenue.

For additional information, attend the April 29<sup>th</sup> public meeting or contact Ryan Smith at:
