

Community Meeting for Streetscape Improvements on 2nd Street, 3rd Street, and 10th Street

Date: Thursday, April 30, 2015
Time: 7:00 – 8:30 PM
Location: Art Ark, 1058 S. 5th Street

Please join us to learn about and provide feedback on draft plans for pavement maintenance, street improvement, and bikeways projects on South 2nd, South 3rd, and South 10th Streets.

Portions of 2nd, 3rd, and 10th Streets are scheduled to be re-paved in 2015. Come learn about potential plans to improve safety and multimodal access on these roads, including:

- Lane reduction on 2nd Street, from three lanes to two, and buffered bike lanes (San Salvador to Keyes)
- Lane reduction on 3rd Street, from three lanes to two, and buffered bike lanes (Reed to Humboldt)
- New bike lanes on 10th Street (Keyes to Tully)

This potential project requires removal of parallel parking on the City street on 10th Street between Keyes Street and Tully Road.

For additional information, attend the April 30th public meeting or contact Jessica Zenk at:
