Dear Neighbor,

You're invited! The City of San José Planning Division would like to invite you to a community meeting about a proposed Planned Development Rezoning request from a private applicant in your area (see attached map). Planning staff will be facilitating the meeting, and the private property owner/applicant will present their request. The meeting will provide you with an opportunity to learn about the proposal and receive answers to your questions. The City of San Jose is very interested in your input on this proposal and encourages your attendance at this meeting. The Planning Division will consider all comments during our evaluation of the applicant's proposal.

Proposal:

Planned Development Zoning of six properties from the R-M Multiple Residence Zoning District and the R-1-5 Single-Family Residence Zoning District to the A(PD) Planned Development Zoning District to allow for up to 92 multi-family residential units in a six-story building on an approximately 0.99 gross acre site.

Your participation in the planning process will help us analyze the request and consider the community's input. If you have any questions before the meeting or during the process, please contact:
