I have never been involved in politics before - but I built a successful business, led a non-profit organization that feeds hundreds of homeless every month, and have been an expert in security for almost 20 years.

I grew up here. I graduated from Santa Teresa High School.

I met my wife, built a business, and am raising my family in San Jose.

I will listen and I will work hard every day to make this city better and safer for them - and for you.

We need responsible budgets that protect taxpayer and vital services.

We need to rebuild our Police Department to ensure security for *our* neighborhoods and schools. We need to attract new jobs to San Jose that will raise incomes and create greater prosperity. We must find new ways to partner with schools to make them better and safer.

Perhaps even more, we need the City to listen to the community, and we need Council members who recognize that they are servants of the public, not masters of us.

Security. Responsibility. Opportunity.

JIMENEZ, Sergio (D2)

We deserve a safer & stronger San José. I'm committed to providing you exceptional city services to improve our community. I will fight to reduce crime, tackle our housing crisis, stimulate innovation and maintain and grow jobs with strong wages. I'm ready to utilize my experience and leadership as your next Councilmember.

I grew up in San José and graduated from SJSU. Our families encounter daily challenges that have worn us down. My values as a parent, homeowner, and taxpayer, drive me to alleviate these challenges.

Everyday I see the impact crime has on our community. As an investigator for the Santa Clara County Public Defender's Office I work to ensure justice for all. Safety is my top priority. This motivated me to found Oak Grove Neighborhood Association to empower residents and address our concerns. As San José Parks Commission Chair I work to expand our green spaces and expand the Ranger program. I am responsive to your needs and we have made lasting impactful change.

I'm socially conscious & fiscally prudent. I will be your voice in determining San José's future. If you believe San José can be a place for everyone to live, work, play and thrive, I respectfully ask for your vote. Thank you. Your vote for my campaign ensures that District 2 will have a councilmember who is collaborative, knows how to fight for our district's fair share of city resources, and is an effective advocate for our families. I have deep roots in this community having moved to the Hayes Neighborhood in the early 90's. Since 2004, I have had the honor of working with organizations that focus on improving the quality of life of San Jose residents, including the Santa Clara County Equal Opportunity Commission, the Evergreen Visioning Project, and the local community college Bond Oversight Committee where I work to safeguard taxpayer dollars.

Working my way through college in my family business taught me the value of a dollar. Through hard work I was able to attend Santa Clara University and later Georgetown Law. In my legal practice I have focused on representing small businesses and working families.

If elected, I pledge the following: 1) The police substation is finally staffed and the burglary unit is re-instated, 2) better jobs for our community, and 3) reduced traffic congestion.

I look forward to working with you. Learn more about my campaign at [www.eliportales.com](http://www.eliportales.com).

I've spent years as an attorney advocating for small-business owners, low-income workers, and underserved individuals. I've worked hard to empower people from all walks of life. I am running for city council to bring your voice to City Hall.

San Jose is a symbol of innovation and diversity. I am proud to call it my home. I graduated from Independence High. I know the longstanding concerns of our district. Berryessa wants a nice restaurant and a dog park; River Oaks wants better lighting along pedestrian walkways; Alviso wants flood protection and to preserve its unique culture. Our residents deserve better roads, relief from traffic congestion, an end to illegal dumping, and to feel safe in their neighborhoods. These are things I care about too. You have my commitment that I will work hard every day to address and solve these issues.

As your councilmember, I will work with my colleagues to hire more police officers and firefighters, create well-paying jobs, and address homelessness. District 4 deserves a representative who will work hard to create a safe and thriving community for everyone. I want to be that representative for you. I'd be honored to have your vote.

NGUYEN, Manh (D4)

I have lived, worked, and volunteered in District 4 for more than 36 years. As a journalist for almost three decades, I held public officials accountable to the people. As your current Councilmember I have endeavored to do the same, ensuring that the people of District 4 have the best representation possible.

Since taking office, I have focused on ensuring that our economy is as strong as possible. We have seen results on this front with companies like Samsung, Google, and Apple expanding here in the district.

Our city still faces many challenges, but everyday I work to change the status quo. We have settled pension fights with our unions and are rebuilding our police and fire departments. I have worked to improve access to affordable housing and as a VTA Board Member bring BART to Berryessa.

I would be honored to serve another term as your Councilmember and ask for your vote. Both the Chamber of Commerce and the South Bay Labor Council endorse my reelection effort, along with Mayor Sam Liccardo, many of my council colleagues, Chuck Reed, Shirley Lewis, Jose Estevez, Otto Lee, and Dick Santos. As a third-generation native of San José, I'm proud of the city my hometown has become, and excited by the immense potential that still defines it. I've watched us grow from the Valley of Heart's Delight into the Capital of Silicon Valley, but I know that prosperity for all is still a work in progress.

Many of our hardworking neighbors are struggling to make ends meet in the shadows of sparkling new high rises and freeway overpasses. I'm running for City Council to build a San José that works for everyone.

Having been raised by a public school teacher and a CPA, I value a quality education, a strong work ethic, and the dignity of earning a paycheck. These are the values we need in our civic leaders.

As a nonprofit executive, small business owner, and Chair of the San José Arts Commission, I've learned the best decisions for a community are made as a community. By coming together around our shared vision for a healthy, equitable, and vibrant San José, we can find lasting solutions to the challenges we all face. I hope to earn your vote.

For over 25 years we have worked together as neighbors to create consensus and solve community problems. Now I want to use my proven leadership and experience to be your voice on the City Council.

As a working mother, I dedicated time to our community as a neighborhood leader, Parks Commissioner and Blue Star Mom. I am a former SJUSD Research Analyst and I currently mentor students at Lincoln High.

Together we transformed The Alameda, built and maintained parks, opened the Bascom Library & Community Center and fought to improve safety.

San José is a great place to live, work and play, but we must increase public safety, tackle the housing crisis, repair our streets & improve the delivery and accountability of city services. Our diversity makes us strong. We are the 'City of Great Neighborhoods'. All of us have a responsibility to ensure a viable and sustainable San José for everyone including residents, businesses, community organizations and the City.

I'm ready to work for you on day one to expand your access to City Hall. I'm honored to have support from Supervisor Ken Yeager and Nancy Ianni. I respectfully ask for your vote. Thank you.

Davis, Devora "Dev" Joan (D6)

Devora "Dev" Davis, a fiscal conservative, has been a researcher at Stanford for a decade, giving her unique insights into how District 6 can benefit from responsible economics at City Hall. As past president and current board member of the North Willow Glen Neighborhood Association, Dev understands the neighborhood impacts of San Jose decisions. As past Chair of San Jose's Early Care and Education Commission, Dev understands the budget process and promotes fiscally responsible policies.

Dev earned her BS in Economics from Oakland University and will complete a dual Masters degree from Stanford this June.

Thousands of District 6 voters have told Dev their two top concerns: public safety and a stable economic and housing environment. Dev agrees and has an innovative plan to help bridge the public safety gap left by a depleted police force and bring more jobs to San Jose while opposing new general taxes. Dev is endorsed by former Mayor Chuck Reed, former Vice Mayor Pat Dando, Councilmember Johnny Khamis, former Councilmember Pete Constant, Water District Director Barbara Keegan, and the SJSV Chamber of Commerce PAC.

Dev and Chris, her husband of 16 years, have two adopted children. Vote for a trusted leader. Vote Devora "Dev" Davis. [www.DevDavis.com](http://www.DevDavis.com)

Erik Fong began pursuing public service after cancer took his dad's life and left the family in debt. Erik's mom struggled to get on her feet while working multiple minimum wage jobs and moved in with Erik. From this experience, Erik learned that local government can improve its services and increase opportunities for hardworking residents.

Erik is committed to ensuring government works for everyone. With over ten years of private-sector management experience in the tech industry, Erik helped create Kartma, a downtown San José coffee cart that employs men and women transitioning out of homelessness. Today, he's an active community leader and works to improve our overall quality of life through volunteerism and advocacy.

As Councilmember, Erik will combine his tech, business, and personal experience to create opportunities for all residents and bridge San José's diverse communities with City Hall. Erik will focus on rapid constituent services for high quality of life, increasing public safety, alleviating traffic, addressing homelessness and housing costs, and training a homegrown workforce. Erik and his wife, Shannon, live in Willow Glen.

I was born and raised in District 6 in a family of modest means. At times, we were homeless. My mom, a waitress, died when I was 9. My dad, a janitor, became disabled. I attended local schools and graduated from Santa Clara University on full scholarships and grants. I had successful careers at Lockheed and Apple. I started my own successful software company in 1990 called LibraryWorld.

Because of my experience, I've always valued solutions and independence. That's why I want to serve you on the city council as someone who believes in results, not politics. San José deserves a government as smart and innovative as its residents.

Leaders from across the political spectrum have endorsed my campaign, including Mayor Sam Liccardo, District Attorney Jeff Rosen, County Assessor Larry Stone, current and former Supervisors Mike Wasserman and Susanne Wilson.

Because much has been given to me, I strongly believe in public service and community organizations. I was the chair of both the San José and Santa Clara planning commissions, council-member and Mayor of Saratoga, and board member of many non-profits, helping the least fortunate in our our community. Please support my campaign for a better San José.

I am running for City Council because my roots and devotion in this district go back 38 years and run deep in many neighborhoods. My wife and I are now raising our three children in the very neighborhood we grew up in. Our love for this community is strong. We are active parishioners of Saint Leo the Great Church, volunteer to organize Turkey Drives during the holidays, and coach for the San Jose Police Activities league.

My work ethic comes from my immigrant parents. My father is a retired Labor Union member and my mother is a Teamster working for Del Monte cannery. They showed me that I can accomplish anything if I put in the hard work. I put that lesson into action by graduating from Santa Clara University. I plan to utilize my education and my sixteen years of experience in the Tech Industry to address the challenges San Jose is now experiencing.

I will empower all neighborhoods and small businesses by working together on responsible economic development, address Affordable Housing, and Public Safety.

I will be honored to have your support and vote. To learn more, Visit

I love this city. I'm raising my 5-year-old daughter here, my parents live close by and our family has thrived here. I'm passionate about serving this community that has given me so much, and working hard to make San José the best it can be.

I'm proud of what I've helped accomplish for our community. As Chair of the San José Library and Early Education Commission, I worked for long-term funding to restore library hours to 6 days/week. As President of the Willow Glen Neighborhood Association and volunteer with the South Bay Clean Creeks Coalition, I worked to improve traffic safety and clean our creeks. I helped tackle our region's transportation, housing, and infrastructure challenges on the Silicon Valley Leadership Group.

Now, I'm ready to do more to protect what is great about our community and to make San José even better. In City Hall, I will prioritize rebuilding our police department and work for a budget that balances the needs of job creation with the needs of our community—from public safety to clean creeks and parks.

I'm proud to have earned the endorsements of Lieutenant Governor Gavin Newsom, former San José Vice Mayor Madison Nguyen, California Board of Equalization Chairwoman Fiona Ma, and hundreds of our neighbors. Learn more at [www.chrisrothsj.com](http://www.chrisrothsj.com).

I humbly ask for your vote on June 7!

There is a better way. Since moving with my wife and children to San Jose over 20 years ago, our roads have deteriorated, Downtown failed, damaging labor disputes have decimated police and fire, and homeless have taken over parks and doorways.

We were the safest big city – no more. We must again become the city of innovative ideas and lasting solutions. I'm a former firefighter and now a successful small business owner. I have experience in both public and private sectors.

We can put 100 additional police officers on the street in a year.

We can reduce Fire Department response times to less than 4 minutes.

We can get homeless off the streets and clean up Downtown.

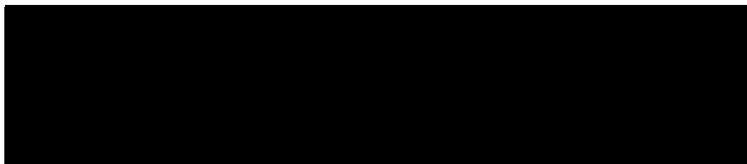

We can create an environment where new businesses choose San Jose.

We can fix our roads.

We can make government work for us without raising taxes. Efficiencies, smart policies, common sense and belt tightening will result in savings that fund real solutions.

Together we can and must implement long term solutions to keep San Jose strong and vibrant. There is a saying - if what you are doing doesn't work, doing more of what doesn't work - doesn't work!

There is a better way San Jose. [www.myronforsj.com](http://www.myronforsj.com)

Our neighborhoods deserve a leader with real life experience bringing people together and making needed change.

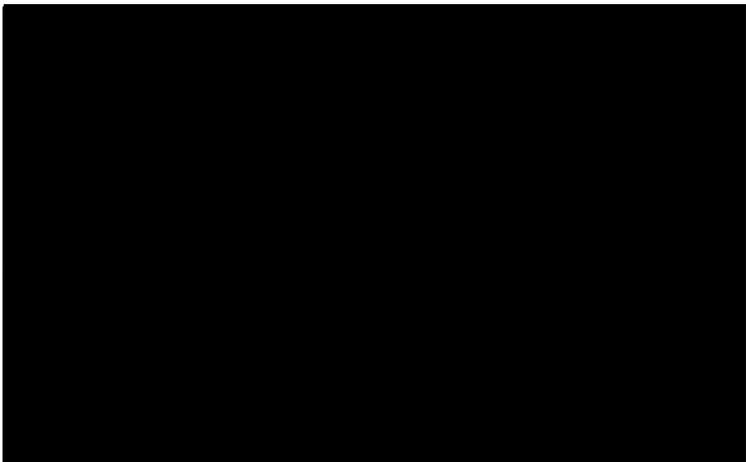

As an Evergreen School District Board Member, mother of two young children, neighborhood advocate and a public policy advisor to a City Council office I've worked for better schools, neighborhood revitalization, and programs to keep kids prepared and learning in school.

I'm a different kind of leader. An independent who's faithful to her convictions and isn't afraid to stand up for what's right and also reaches out to our residents and builds consensus.

On the City Council I'll refocus our government to the basics; building partnerships with police, neighborhoods and schools to keep our community safe, improving our business climate, creating great jobs, expanding street maintenance and repair, and stopping the urban sprawl that threatens our quality of life. Learn more at [www.SylviaArenas.com](http://www.SylviaArenas.com).

I offer you my real life experience, a working mother of two young children. I hold a Master's in Public Policy from USF and have spent 15 years living in Evergreen and working to improve our neighborhoods through programs like Project Crackdown to supporting early childhood education programs through my work at First Five.

I kindly ask for your vote.

We can make our streets safe again by backfilling the 180 vacant positions in our depleted police department, support our small businesses by helping business owners navigate the city's permitting processes, and invest in city infrastructure to fix and maintain our roads to enhance the quality of life in our community. Denise had a successful career in the private sector in human resources. She founded Evergreen Coffee Company in 2010, successfully growing the business while supporting her family after losing her husband.

Denise co-founded Involved Evergreen in 2007, bringing movie nights and EPIC festival to Evergreen; she was later recognized by the District 8 Roundtable as an outstanding volunteer. Denise spearheaded community involvement at Evergreen Valley High and has worked to bring businesses to Evergreen Village Square. Denise serves on San Jose's Council Appointment Advisory Commission.

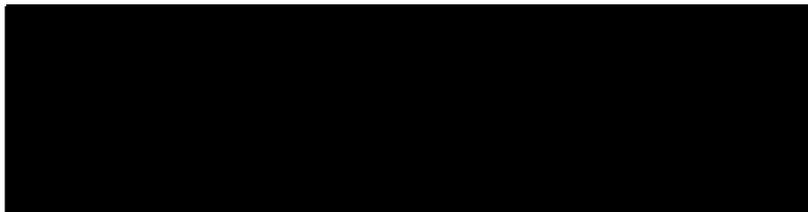

Denise is committed to making our community safer, fixing our roads and economic development by creating more middle-class jobs. She will protect our hillsides and open space, and opposes raising general taxes.

**NGUYEN, Jimmy (D8)**

Jimmy Nguyen hears us -- We need to restore public safety to address the crime plaguing us, invest in our local economy to generate jobs and fund critical services, and we must prevent reckless speeders who endanger us and our children playing in the streets.

These are only some of the problems that Jimmy constantly hears from us. Jimmy wants you to know he is listening. Jimmy passionately believes in serving our community and solving our community's problems.

That is why Jimmy serves our community by chairing the \$500 million Evergreen College Bond Oversight Committee to improve our educational system and ensure fiscal responsibility, Jimmy consistently donates his blood to save sick or dying people, and Jimmy volunteers at legal clinics for the disadvantaged and working families who lack access to legal services.

Imagine how we will benefit from someone who is dedicated and hears our problems. Jimmy is our dedicated problem solver.

In 2012, 14,588 of our friends and neighbors voted Jimmy Nguyen for San Jose City Council. Here's our opportunity to vote for Jimmy again!

Please join your friends and neighbors by voting for Jimmy Nguyen on June 7, 2016!

Pat Waite is uniquely qualified to represent you on the San Jose City Council. He promises to bring his creative problem solving skills, dedication to duty, and willingness to ask tough questions to the important business of running the 10th largest city in America.

San Jose's government is big and complex. It takes strong leadership and know-how to produce the results we deserve with the tax dollars that we have. Simply understanding our city's intricate budget requires significant financial expertise. As a finance professional, Pat has over 20 years of experience delivering results in sizeable, complex companies such as Lam Research and Seagate Technology.

Pat has been extremely active as a volunteer in San Jose for over 30 years, helping organizations such as Expandability, Catholic Charities and Boy Scouts of America improve our district and our city. He is a committed family man, a proven neighborhood leader and community activist. He has the skills, core values and ethical standards to bring a sense of community out of our cultural and economic diversity.

If you believe our city government should focus on creating safe neighborhoods and a vibrant community for all of us, please vote for Pat. Find out more at [www.PatWaite.com](http://www.PatWaite.com). Thank you.

KHAMIS, Johnny (D10)

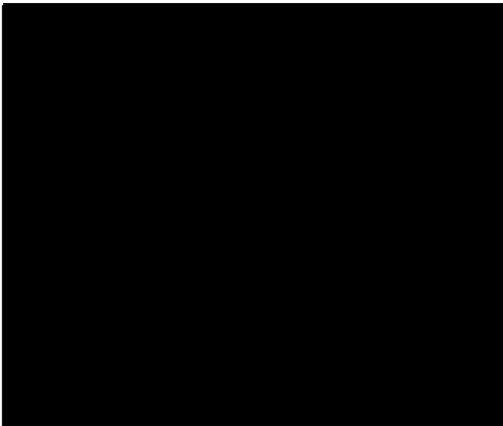

RECEIVED  
San Jose City Clerk

Councilmember Johnny Khamis has strived to keep the commitments he made four years ago. He has been a fiscal conservative, voting to protect core services we have as well as increasing reduced services. Johnny voted to expand our library and community center hours and restore programs. In some cases he used savings from his council office budget to re-open parks and provide Wifi for the community center. He also secured funding to finally open the south San Jose police substation now being used for training and community service officers, saving tax payers \$500K annually. He has brought D10 neighborhoods together to improve parks, streets and work on the annual 4<sup>th</sup> of July family festival. All without supporting new general taxes.

*nl* If re-elected Councilmember Khamis is committed to restore police services, roads, parks and community centers, and continuing to promote neighborhood pride.

*nl* Johnny's hard work and commitment to district 10 and San Jose has earned him the endorsements of Mayor Sam Liccardo, former Mayor Chuck Reed, Former District 10 Councilmember Pat Dando, Supervisor Mike Wasserman and the SJSV Chamber of Commerce.

Vote for getting the job done. Vote Johnny Khamis      [www.johnnykhamis.com](http://www.johnnykhamis.com)
