Dear Neighbor,

You're invited! The City of San José Planning Division would like to invite you to a community meeting about a proposed General Plan Amendment request and Planned Development Rezoning request for a City-owned property in your area (see attached map). City staff will be facilitating the meeting. The meeting will provide you with an opportunity to learn about the proposal and receive answers to your questions. The City of San José is very interested in your input on this proposal and encourages your attendance at this meeting.

Proposal: A General Plan Land Use / Transportation Diagram Amendment from Neighborhood/Community Commercial designation to Mixed Use Neighborhood on a 5.93 gross acre site.

Environmental Review: The City is currently performing environmental review for the proposed project. It is anticipated that the documents will be available for public review around March 23, 2016 on the City of San José's website at: www.sanjoseca.gov/mitigatednegativedeclarations. More information about the environmental review will be available at the community meeting, or by contacting the environmental review project manager at Sanhita Ghosal at Sanhita.ghosal@sanjoseca.gov.

Your participation in the planning process will help us analyze the request and consider the community's input. If you have any questions before the meeting or during the process, please contact:
