b. **PP15-118.** To further goals and implement policies of the Envision San José 2040 General Plan (General Plan) related to protection of riparian corridors in the City, the project proposes amendments to Titles 20 (Zoning Code) and 23 (Sign Code) of the San José Municipal Code, and adoption of a new City Council Policy as described below:

1. Amendments and additions to Title 20 of the San José Municipal Code (the Zoning Code) to:
   a. Add provisions requiring findings of consistency with the Envision San José 2040 General Plan (General Plan) goals and policies, and other City Council-adopted policies, including the new City Council Policy described under subsection 3 below;
   
   b. Add provisions requiring proposed single-family house development in conventional zoning districts that involves ground-disturbing activity within 100 feet of a riparian corridor to obtain approval of a Single-family House Permit;

   c. Add definitions of “riparian” and “riparian corridor”; and;
d. Make other technical, formatting or non-substantive changes within the Zoning Code.

2. Amendment to Section 23.02.465 of Title 23 of the San José Municipal Code (the Sign Code) to delete this Section, so that the new definition in the Zoning Code will apply to the Sign Code under Section 23.02.010.B of the Sign Code.

3. Adoption of a proposed new City Council Policy to provide guidance for riparian corridor protection in furtherance of the goals, policies, and actions of the General Plan for: 1) protecting, preserving, or restoring riparian habitat; 2) limiting the creation of new impervious surface within riparian corridor setbacks to minimize flooding from urban runoff, and control erosion; and 3) encouraging bird-safe design in baylands and riparian habitats of lower Coyote Creek, north of State Route 237.

a. Clarifying standards for development and activities located up to three hundred (300) feet of the edge of a riparian corridor, including but not limited to limitations on activities, new structures, and impervious surfaces within riparian setbacks;

b. Providing bird-safe design standards for development located within the area north of State Route 237 to reduce the potential for bird strikes for species associated with baylands or riparian habitats of lower Coyote Creek.

Council City: Citywide. CEQA: Pursuant to Section 15168(c) of the CEQA Guidelines, the City of San José has determined that the proposed project is within the scope of the Envision San José 2040 General Plan, and the environmental impacts of the proposed project have been adequately described by the Envision San José 2040 General Plan Environmental Impact Report, adopted by City Council Resolution No. 76041 on November 1, 2011; and the Envision San José 2040 General Plan Supplemental Environmental Impact Report, adopted by City Council Resolution 77617 on December 15, 2015. The City of San José has prepared a Determination of Consistency with the Envision San José 2040 General Plan FEIR as supplemented. PROJECT MANAGER, DIPA CHUNDUR
