City Auditor Sharon Erickson provided a presentation, and Director of Information Technology Vijay Sameta offered administrative response to technology issues.

Motion: Councilmember Chappie Jones moved acceptance of the audit report including recommendations as outlined in the memorandum he cosigned with Mayor Sam Liccardo, Councilmember Magdalena Carrasco and Councilmember Johnny Khamis, dated April 1, 2016, as amended, striking the words "by the end of the year", and requiring a report back in the Fall to review the status and set a timeline. Councilmember Manh Nguyen seconded the motion.

3.4 (Cont'd.)

Action: On a call for the question, the motion carried unanimously, and the audit report on Technology Deployments: "Additional Resources Needed to Shorten Deployment Timelines" was accepted, including direction as outlined in the joint memorandum from Mayor Sam Liccardo and Councilmembers Jones, Carrasco and Khamis, dated April 1, 2016, to (a) Develop a Master Information Communications Technology (ICT) plan and digital strategy for the City to be presented to the Council ~~by the end of the year~~, including: (i) Estimated base-level funding requirements for replacing systems and hardware for staff as well as forecasted project costs for future system upgrades over the next five years. (ii) Assessment and proposed approach to IT department's organizational structure, as well as IT staffing in other departments, to minimize duplication while preserving departmental business-line expertise and bringing project management skills back into the IT department. (iii) Form an Information Technology Planning Board for strategic planning, in compliance with City Policy 5.19, that includes both cross-departmental staff as well as select external advisors (e.g., academics or enterprise systems experts) to prioritize large-scale projects, and provide guidance and oversight to the Master ICT plan. (b) Update and streamline IT procurement for purchasing of software and basic IT equipment including PCs, mobile devices and monitors, as well as including an update to the RFP manual in the work plan for the Smart City Vision and report progress through the newly-formed City Council Committee on Smart City and Continuous Improvement. (c) In the Statement of Policy for the hiring of the new IT Director, questions should address experience in development a Master ICT plan and development a digital strategy for an organization, experience with large enterprise software upgrades, user-centric design, and organizational design for IT resources and oversight. Staff was directed to provide a report in Fall of 2016 to review status and set a timeline, rather than "by the end of the year" as indicated in the above noted memorandum. (11-0.)

3.5 Review the following actuarial valuation reports:

- (a) **Police and Fire Department Retirement Plan Actuarial Valuation (Pension) as of June 30, 2015; and**
