Dear Neighbor,

You're invited! The City of San José Planning Division would like to invite you to a community meeting about a proposed Rezoning and Planned Development Permit request from a private property owner/applicant in your area (see attached map). Planning staff will be facilitating the meeting, and the applicant will present their request. The meeting will provide you with an opportunity to learn about the proposal and receive answers to your questions. The City of San Jose is very interested in your input on this proposal and encourages your attendance at this meeting. The Planning Division will consider all comments during our evaluation of the applicant's proposal.

Proposal:

Conditional Use Permit to allow the construction of a 200-unit, four-story senior residential care facility on a 1.25 gross acre site.

Your participation in the planning process will help us analyze the request and consider the community's input. If you have any questions before the meeting or during the process, please contact:
