Authorized representatives of the renting organization (i.e. group chairperson, cooks, maintenance crew persons) are required to attend the “walk through” and “instruction on equipment use” meeting with the Camp Representative (approximately 20 minutes for the meeting). A copy of the equipment checklist and request shall be posted in the kitchen area. Inspection of all equipment rented and used will take place prior to and following their use. Cleaning and Damage deposits may be forfeited for damage to equipment, missing equipment and cleaning of equipment.
