San Jose Camp at Yosemite is a program of the City of San Jose, Department of Parks, Recreation and Neighborhood Services.

General Staff Information

Family Camp at Yosemite staff will work six days a week. All staff is paid on a daily stipend basis, based on the rate for the function of the job and the applicants' experience. Staff are expected to live at camp from June 2nd – August 6th, 2018. All staff live in tent cabins with electricity, cots, and mattresses. Breakfast, lunch, and dinner are included. Staff may be assigned other duties not specifically listed within the job descriptions.

All candidates must:

- Meet the minimum age of 18 at time of appointment.
- Undergo a background check, including a criminal history records check and fingerprinting process, as well as a TB test if not have had one in the past two years.

The date and time for interviews and orientation will be announced. At the time of initial contact, all selected staff will receive information about fingerprinting, proper documents and the paperwork required to work at camp.

Application Process

If you are an interested candidate, you can apply for any of these positions online. If you are currently viewing this announcement online and would like to apply using the online application feature, scroll to the bottom of this announcement and click "Prospective Employees".

If you are not currently online, please go to www.sanjoseca.gov Click on "Careers," then "Open Recruitments" and scroll down to "Family Camp Positions (Various)" to view various job announcements. To apply for a specific position, click the "Apply Now" button at the bottom of the job announcement. Remember to submit a City of San Jose Employment Application and complete the supplemental questionnaire.

If you know of others who might be interested in applying for a position at Family Camp, please pass this information along to them.
