ORDINANCE NO. 27457

WHEREAS, on May 17, 2005, this Ordinance was found to be categorically exempt from environmental review pursuant to the provisions of Section 15305 of the California Environmental Quality Act of 1970, as amended, under File No. PP05-100.

NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF SAN JOSE:

SECTION 1. Section 20.40.010 of Chapter 20.40 of Title 20 of the San José Municipal Code is hereby amended to read in its entirety as follows:

20.40.010 Commercial Zoning Districts.
A. This Chapter sets forth the land use and development regulations applicable to the Commercial Zoning Districts established by Section 20.10.060.
B. No building, structure, or land shall be used, and no building or structure shall be erected, enlarged, or structurally altered, in the CO, CP, CN and CG Commercial Districts except as set forth in this Chapter.
C. The Commercial Zoning Districts are intended to support the commercial land use, economic development, and neighborhood preservation and conservation goals and policies of the General Plan through the use regulations and
development standards. The four Commercial Districts reflect the diversity of the commercial needs and opportunities in the City. The purposes of the Commercial Districts are as follows:

1. CO Commercial Office District. The CO Commercial Office District is a district in or near residential areas or between residential and commercial areas. This district is intended to be a low intensity office zone that allows for a scale of offices in or adjacent to residential neighborhoods. Larger scale office development can be permitted upon approval of the Planning Commission, or City Council on appeal, through the Conditional Use Permit process.

2. CP Commercial Pedestrian. The CP Commercial Pedestrian District is a district intended to support pedestrian oriented retail activity at a scale compatible with surrounding residential neighborhoods. This district is designed to support the goals and policies of the General Plan related to neighborhood business districts. The CP Commercial Pedestrian District also encourages mixed residential/commercial development where appropriate.

3. CN Commercial Neighborhood. The CN Commercial Neighborhood District is a district intended to provide for neighborhood serving commercial uses without an emphasis on pedestrian orientation except within the context of a single development. This district also differs from the CP Commercial Pedestrian District in that there is no limit on the size of the stores. The type of development supported by this district includes neighborhood centers, multi-tenant commercial development along major arterials, and small corner commercial establishments.

4. CG Commercial General. The CG Commercial General District is a district intended to serve the needs of the general population. This district allows for a full range of retail and commercial uses with a local or regional market. Development is expected to be auto-accommodating and includes larger commercial centers as well as regional malls.

**SECTION 2.** Section 20.40.130 of Chapter 20.40 of Title 20 of the San José Municipal Code is hereby amended to read in its entirety as follows:

**20.40.130 Live/Work Units.**

Any Special Use Permit issued for live-work uses shall be subject to the following criteria:
A. Only owners or employees of the business associated with the live/work unit may occupy the living unit portion; and

B. The live/work unit complies with the Uniform Building Code requirements.

SECTION 3. Section 20.40.200 of Chapter 20.40 of Title 20 of the San José Municipal Code is hereby amended to read in its entirety as follows:

20.40.200 Development Standards.
