Note 1: Per Health and Safety Code 129885 certification of chronic dialysis and surgical services are required to be provided by city or county building department with jurisdiction over the project. If the building jurisdiction will not be providing this certification, plans shall be submitted to OSHPD for certification review.

Enforceable Codes

The following are the enforceable codes for facilities under the authority of the Alfred E. Alquist Hospital Facilities Seismic Safety Act of 1983:

Application means the submission of a Preliminary or Final Application for Plan Review.

Code means the official compilation and publication of the adoptions, amendments and repeal of administrative regulations to *California Code of Regulations, Title 24*, also referred to as the *California Building Standards Code*.

APPLICATION

**All applications submitted on or
After January 1, 2014**
