Each Housing Service Reduction and Housing Code violation must be considered in any determination of what constitutes a reasonable Rent reduction, as applicable under the circumstances. A Hearing Officer shall have the authority to determine whether the Housing Service Reduction impacts an essential or material term or condition of the rental agreement in a manner that constitutes a constructive eviction.

7.03. Basic Service Level.[¶]

7.03.1 Definition. The Landlord is required to furnish to the Tenant a basic level of Housing Services, herein called the "Basic Service Level". The Basic Service Level for a particular Housing Service for a particular Rental Unit is established by:

- a. Civil Code Sections 1941.1 and 1941.2 and other applicable codes and statutes;
- b. The Landlord's implied warranty of habitability;
- c. Express or implied agreement between Landlord and Tenant;
- d. The level of service consistent with subsections (a), (b), and (c) above and implied by:
 - i. The nature and quality of original construction of improvements, fixtures, and equipment;
 - ii. The age of the improvements, fixtures, and equipment;
 - iii. The condition of the improvements, fixtures, and equipment at the beginning of the applicable term of tenancy;
 - iv. The Landlord's policies of operation and maintenance, repair, and replacement communicated to the tenant at the beginning of the applicable term of tenancy.

7.03.2 Housing Service Reductions. A Housing Service Reduction occurs when the Landlord has breached the obligation to furnish to the Tenant the Basic Service Level and the Tenant's usability of the Rent Stabilized Unit is thereby measurably reduced.

7.03.3 Allegations of Housing Service Reductions. Tenants may Petition for a Rent adjustment by filing a Tenant Petition in the form provided by the City. The Tenant Petition shall include for each Housing Service Reduction alleged:

- a. The prior level of service established as part of the Housing Services to be provided by the Landlord for the rental unit; and
- b. The specific changes in the prior level of service comprising the alleged reduction in service; and
- c. The date the service reduction was first noticed by the Tenant; and
- d. The date the Tenant gave notice to the Landlord of the alleged service reduction, and whether the notice was given orally or in writing; and

- e. The date the Tenant gave notice to the Landlord that the Tenant requested the alleged service reduction to be corrected, and whether the request was oral or in writing; and
- f. When and how the Landlord responded to the Tenant's notice; and
- g. Whether the condition was improved or corrected and if so, when and how; and
- h. The status of the condition as of the date the Petition is signed by the Tenant.

7.04. Voluntary Mediation Hearing Process.¶

7.04.1 Prior to scheduling a hearing under Section 7.05, raised in a Tenant Petition for Housing Service Reductions or Housing Code violations, Program Staff shall offer a voluntary Mediation process to the parties. If agreed to by both parties, a Mediation will be scheduled prior to any hearing process.

7.04.2 For purposes of this Section, "Mediation" means a meeting in which a Landlord and Tenant have the opportunity to communicate with a Mediator or Hearing Officer and each other in a face-to-face setting at a neutral location in order to resolve a rental housing dispute voluntarily under ground rules designed to protect the confidentiality and neutrality of the communications, and in the absence of a written voluntary agreement to make a determination regarding any claims under this Part 7.

7.04.3 Following the initial presentation, the Mediator will meet privately with each side to attempt to work out a voluntary agreement. Private sessions are not recorded and confidential information provided during them shall not be accepted and shall not be used in decision making by the Mediator.

7.04.4 If the parties arrive at a voluntary agreement which resolves the dispute, the Mediator will write that agreement on a City voluntary agreement form and witness the parties' signatures. Any voluntary agreement that includes a Tenant buyout must comply with the Buyout Agreement requirements in the Ordinance and these regulations.

7.04.5 After meeting in private session, the Mediator will meet with both parties together to sign any voluntary agreement or to provide an opportunity to present any additional evidence or testimony. Any voluntary agreement reached between the Parties shall be submitted in writing to the City and shall be filed as the resolution of the petition(s).

7.04.6 "Mediator" means a Hearing Officer or a person who is certified to have completed at least forty (40) hours of basic mediation training, with subsequent advanced training, and who has also participated as a Mediator or co-Mediator in at least ten mediations conducted under the auspices of a recognized community or commercial mediation program, and is subject to Section 11.01.03A Mediator shall not own a real estate interest in rental property consisting of three (3) or more units; is not a Tenant of a Rent Stabilized Unit and may not be an

employee or an officer of groups or organizations which have or are viewed by significant numbers of tenants or landlords as having taken advocacy positions in landlord/tenant matters..

7.04.7 The voluntary agreement may not require or allow an increase in Rent or a pass through not authorized under the Ordinance. If the voluntary agreement contains a section making a violation of the material terms subject to review by a Petition Examiner under the Ordinance and Regulations, a written claim of violation may be filed within ninety (90) days of the date of its filing, provided that the party filing the claim has sent a written request to the violating party to perform one or more specific, material items to be performed under the voluntary agreement. The written claim must contain a copy of the request to the violating party and the party making the claim must send a copy to the violating party. If the Petition Examiner determines that a material term of the voluntary agreement has been violated and contacts with the violating party fail to resolve the issue, the Petition Examiner shall send the parties notice of breach and shall schedule a hearing under Section 7.05 on the grounds that the issues were not resolved by the voluntary Mediation.

7.04.8 If a voluntary agreement is not possible, or if one of the parties does not agree to a voluntary agreement, the Hearing Officer will make a written decision regarding Housing Service Reductions or Housing Code violations, and any claims raised under Part 6. Appeals of the Hearing Officer's decision shall be filed in writing with the Director within seven (7) days of the issuance of the decision.

7.05. Hearing Authorized. If voluntary Mediation does not result in a resolution of the issues raised in the Petition, or if the Parties opt not to participate in voluntary Mediation, then the Petition review process shall commence with a Hearing before a Hearing Officer in accordance with the procedures established below. Appeals pursuant to Section 7.04.8 shall commence with a Hearing before a Hearing Officer in accordance with the procedures established below. Additionally, if the hearing has been scheduled regarding a claim of breach of voluntary agreement, the Hearing Officer shall consider if the voluntary agreement which has been claimed to be broken, has been broken, and if so, may determine an equitable remedy which may compensate for the violation by increasing or decreasing the rent accordingly.

7.06. Proof of Service Reductions. The burden of proof of each service reduction is on the person alleging the reduction. A service reduction for a particular service for a particular rental unit shall be proven as follows:

7.06.1 The person alleging the service reduction shall prove:

- a. The Basic Service Level for the particular Housing Service for the particular Rental Unit; and
- b. The actual service level for the particular Housing Service for the particular Rental Unit; and
- c. That the actual service level is, or was, materially lower than the Basic Service Level; and

d. That the Housing Service Reduction occurred within the twelve (12) month period immediately preceding the date of filing the petition commencing the proceeding in which the issue is being heard.

7.06.2 The burden of proof shall be met by using evidence only which has a tendency in reason to prove or disprove a disputed fact of consequence in determining the Basic Service Level, or in determining that the actual service level is materially lower than the Basic Service Level.

7.07. Determining Value of Housing Service Reductions.¶ If the Hearing Officer finds that a Housing Service Reduction has occurred, the Hearing Officer shall determine the monetary value to be assigned to the service reduction by applying the following standards and procedures:

7.07.1 The Hearing Officer shall determine the percentage reduction in usability of the Rental Unit caused by the service reduction, commencing with the accrual date.

7.07.2 In determining the percentage reduction of usability, the Hearing Officer shall consider the following factors:

- a. The area affected;
- b. The amount of time the Tenant is exposed to the condition;
- c. The degree of discomfort the condition imposes;
- d. The extent to which such a condition causes a reasonable tenant to find the premises uninhabitable and leave; and
- e. Similar factors.

7.07.3 The Hearing Officer shall apply the percentage reduction to the monthly Rent, divide by thirty (30), and multiply the resulting sum by the number of days commencing from the accrual date to the date of restoration of the service reduction condition to the Basic Service Level, to determine the value of the service reduction.

7.08. Consequences of a Housing Service Reduction.¶ The value of a Housing Service Reduction, as determined in accordance with these Regulations, shall be applied as a credit against the Tenant's obligation to pay Rent.

7.09. Housing Code Violations.¶ Violations of Title 24 of the Municipal or of California Civil Code Sections 1941.1 and 1941.2 shall be considered by the Hearing Officer who may reasonably condition, disallow, or reduce Rent based on their severity. An inspection report of a San José Code Enforcement Inspector shall be deemed presumptive, but not conclusive proof of the matters recited therein.

7.10. Findings.¶ In making any determination that an alleged Housing Service Reduction exists, or has a particular monetary value, or that a Housing Code violation exists or

not, or has a particular monetary value, any Decision shall make and include a specific finding of the facts upon which the determination is based.

7.11. Hearing Procedures.

7.11.1 Notice and Timing of Hearing. Within thirty (30) days of a decision by one or more Parties to opt not to participate in voluntary Mediation or completion of voluntary Mediation without resolution, the Program Staff shall provide notice to all Parties of the date and time of the Hearing. The date of the Hearing shall be scheduled for twenty (20) to thirty (30) days after completion of voluntary Mediation or the decision to opt not to participate in voluntary Mediation, a referral by a Petition Examiner under Section 6.02 or an appeal pursuant to Section 7.05. Hearings shall be scheduled after 6:00 p.m. on weekdays, or at such other time as the Program Staff determines is feasible for Hearing Officers and as needed to allow Parties to participate.

7.11.2 Additional Submissions. The Program Staff shall accept additional submissions of arguments and documentation regarding the claims raised in the Petition up to ten (10) days prior to the Hearing, so long as two (2) complete copies of the submission are provided to the Program Staff and a complete copy of the submission is provided by the submitting Party to all other responding and petitioning Parties.

7.11.3 Hearing Officer Assignments. A Hearing Officer shall be assigned to preside over each Hearing. The Hearing Officer shall have access to the Petition, any Response, and all supporting documentation prior to the Hearing. The Hearing Officer shall accept argument from all Parties on the claims raised in the Petition, Response and any additional submissions, and review relevant supporting documentation.

7.11.4 Rescheduling or Alternate Scheduling of the Hearing. Requests for rescheduling of the Hearing will be considered if they are for reasons beyond the control of the requester and are received by Program Staff at least seven (7) days before the Hearing date. Additionally, requests for rescheduling based on a Party's medical emergency or similar significant conflicts may be allowed by Program Staff if they were clearly unforeseen upon documentation of the unforeseen event and the prompt notification of Program Staff. Program Staff shall reschedule the Hearing with the originally assigned Hearing Officer unless that Hearing Officer is unavailable.

7.11.5 Effect of Failure to Appear. Failure to appear at the Hearing by the petitioner or the proxy designated in writing to act for the petitioner shall result in a determination by the Hearing Officer that the Petition has been withdrawn, and in that event notice shall be provided to the Parties of the withdrawal of the Petition.

7.12. Conduct of Hearing.

7.12.1 The Hearing Officer shall control the conduct of the Hearing and rule on procedural requests. The Hearing shall be conducted in the manner deemed by the Hearing Officer to be most suitable to secure that information and documentation which is necessary to render an informed decision, and to result in a fair decision without unnecessary delay.

7.12.2 Hearing Attendance. The petitioners, any opposing parties, and each party's designated proxies, legal representatives, translators and non-party witnesses may attend the Hearing. The Hearing Officer may limit the attendance at the Hearing of persons not necessary for the proceedings. There is no child care available and minors who are not witnesses should not be brought to the Hearing.

7.12.3 Ex Parte Communications. There shall be no oral communication regarding the subject matter of the Petition outside the Hearing between the Hearing Officer and any party or witness (e.g. urgent scheduling issues or other non-substantive topics may be discussed *ex parte*). All discussion during the Hearing shall be recorded. Any written communication between or among the Hearing Officer and a Party after the Hearing has commenced shall be provided to all Parties, or if the Party has a proxy, to the proxy.

7.12.4 Records of Hearings. Audio of Hearings will be recorded. This record will be available to all Parties for review. The Hearing Officer has the discretion to allow or disallow the making of other records or transcripts.

7.12.5 Order of Proceedings. A Hearing shall ordinarily proceed in the following manner, unless the Hearing Officer determines that some other order of proceedings would better facilitate the Hearing:

a. Submissions after Time Deadlines. If a submission is proffered after the deadline in Section 7.11.2, the Hearing Officer may decline to accept the submission into the record unless all parties agree that the late submission is not prejudicial.

b. Length of Hearing. A Hearing schedule shall be established by the Hearing Officer providing for not more than seven (7) hours of Hearing testimony. An extension of this time period may be granted by the Hearing Officer for just cause as determined by the Hearing Officer. In no case may the Hearing last more than ten (10) hours unless the need for translation results in the need for a longer Hearing.

7.12.6 Right of Assistance. All Parties to a Hearing shall have the right to seek assistance in developing their positions, preparing their statements, and presenting evidence from an attorney, tenant organization representative, landlord association representative, translator, or any other person designated by said parties to a Hearing.

7.12.7 Participation in Hearing. Any Party, its designated proxy or its counsel may attend the hearing and offer evidence and testimony. However, the Hearing Officer may adopt rules to encourage a timely and business-like hearing, such as requiring the Parties, rather than their counsel or other advisors, to be the primary speakers at Hearings, with adequate time given to consult with their counsel or advisor, or, with a large group encouraging representatives, if any, to be the primary spokespersons.

7.12.8 Participation of the Hearing Officer. The Hearing Officer shall at all times in the conduct of the Hearing and in otherwise performing the duties of the Hearing Officer act neutrally and impartially as between the Landlord and the Tenants.

7.12.9 Hearing Record. The Hearing Officer shall maintain an official Hearing record, which shall constitute the exclusive record for decision. The Hearing record and decision shall include:

- a. A copy of the Petition, Response, and any other documents submitted to support the petition;
- b. Any written submissions by the parties,
- c. All exhibits, papers, and documents offered either before or during the Hearing;
- d. A list of participants present at the Hearing;
- e. A summary of all testimony upon which the decision is based;
- f. A statement of all materials officially noticed;
- g. The appeal(s) of the Administrative Decision, if any;
- h. The Hearing Officer's Decision;
- i. All findings of fact and conclusions of law;
- j. Any Administrative Decision provided to the Parties;
- k. All recommended or final decisions, orders, or rulings; and
- l. A recording of the Hearing in a format determined by the Director.

7.12.10 Re-Opening of Hearing Record. The Hearing Officer may re-open the Hearing record when she or he believes that further evidence should be considered to resolve a material issue, where the Hearing record has been closed and where a final Decision has not yet been issued by the Hearing Officer. In those circumstances, the Parties may waive further Hearing by agreeing in writing to allow additional exhibits into evidence.

7.13. Decision.¶

7.13.1 Time for Issuance. The Hearing Officer shall issue a written Decision to all Parties within thirty (30) days after the Hearing based on the arguments and supporting documentation available to the Hearing Officer. Prior to the issuance of the final Decision, the Hearing Officer may, at his or her discretion, prepare a tentative Decision and request the Program Staff to comment regarding clerical or mathematical errors and to circulate a tentative Decision to the Parties for comment regarding clerical or mathematical errors. All such comments shall be provided to the Hearing Officer and the other Parties in writing by the commenter within ten (10) days of receipt of the tentative Decision.

7.13.2 Decision Contents. The Decision shall include findings of fact and conclusions of law which support the Decision, and shall specify the following:

- a. The amount of change to the Rent, if any, for each unit.
- b. In the case of a downward adjustment in the Rent, for each unit entitled to an adjustment; (a) an itemization of each reduction in Housing Services on which the reduction is based, the amount of reduction attributable to that Housing Service, and the duration of the adjustment; and (b) an itemization of each code violation on which the reduction is based, the amount of reduction attributable to that violation, and the duration of the adjustment.
- c. Any conditions which are placed on the award including conditions and limitations imposed for violation of SJMC Chapter 17.23.
- d. The date on which any adjustment to the rent is effective for each unit.
- e. An explanation of the basis for the Decision with citations to the Ordinance.
- f. The cover page of the decision will provide that the date the decision is issued is the date of Mailing.

7.13.3 Applicability of Decision. The Decision of a Hearing Officer shall not apply to a tenant who has not filed a Petition or has not been included in a Landlord's Petition.

7.14. Appealing Hearing Decision to the Director. Any Party to a Hearing may appeal the Hearing Decision to the Director on a form approved by the Director. Any Party may appeal to the Director within thirty (30) days of the Mailing date of the Hearing Decision. If no Party appeals to the Director within thirty (30) days, the Hearing Decision will be considered a final Decision. The Director's sole authority upon appeal of a Hearing Decision is to either affirm the Hearing Decision or remand the Hearing Decision to the Hearing Officer for reconsideration. If the Director remands the Hearing Decision to the Hearing Officer, the Director's remand is limited to identifying specific sections of the Ordinance or Regulations, or specific issues that the Hearing Officer must address when drafting a reconsidered Hearing Decision. A reconsidered Hearing Decision shall be a final Decision.

Chapter 8

LANDLORD FAIR RETURN PETITIONS; HEARINGS AUTHORIZED

8.01. Applicability. The procedures set forth in this Chapter 8 apply to Landlord Petitions requesting a Rent increase in order to obtain a fair return ("fair return Petition"). This Chapter 8 provides procedures and standards that apply in addition to the substantive fair return analytical requirements established in SJMC Chapter 17.23.

8.02. Petitions and Notice.¶The following requirements and standards supplement the fair return petition process identified in SJMC Chapter 17.23.

8.02.1 Petition Filing Requirement. A Landlord seeking a rent increase in excess of the amount allowed under SJMC Section 17.23.310 on fair return grounds must file a fair return Petition on a City petition form with all required supporting documentation. Documentation must be marked on each page with the specific petition form item it is intended to support. In the event of a petition with claims under SJMC Section 17.23.830.C, the landlord must also arrange for retaining the City selected appraiser prior to the scheduling of a hearing.

8.02.2 Supporting Evidence. A Petition for a fair return must include at least three (3) sets of copies of all evidence the Landlord is relying on to support his or her claim, marked accordingly. Receipts, cancelled checks, and detailed invoices are the best documentation.

a. Tax returns and ledgers may be submitted as part of the supporting evidence, however, tax returns alone are not accepted as sufficient evidence for Current Year claims, or for any year less than three (3) years prior to the Current Year. Copies of contemporaneously prepared ledgers alone are not accepted as sufficient evidence for the Current Year.

b. Evidence that may tend to show that rents were unusually low for the quality, location, age, amenities and condition of the housing includes but is not limited to evidence of rents collected in comparable buildings located in the same neighborhood.

c. Evidence that may tend to show destruction or vandalism of the building or units includes contemporaneous insurance claims.

8.02.3 Petitions Without Complete Base Year Evidence. In the event that a Petition that is otherwise complete does not include actual evidence of Base Year net operating expenses, the Landlord may submit a Director approved form requesting the Program to accept the Petition without the complete Base Year net operating expense evidence. The request form will require an affidavit under penalty of perjury indicating that the Landlord does not have and cannot obtain this evidence, and a description of how this evidence was lost and may require a filing fee to cover the cost for Program Staff to investigate and prepare a report for the Hearing Officer. Upon receipt of a complete request form, if the Program Staff has Mailed a notice of incomplete petition pursuant to Section 5.03.1 and all other portions of the Petition are complete, the Program Staff shall Mail a notice of complete Petition pursuant to Section 5.03.1.

8.02.4 Petitions Claiming that Base Year Gross Income is Unusually Low.

a. Appraisal Requirement. If the Landlord Petition claims that the Base Year Gross Income is unusually low because some Tenants had unusually low Rents for the quality, location, age, amenities and condition of the Rental Units as compared to Rents for comparable units, the Landlord shall be required to pay the costs of an appraisal determining the Base Year rents for comparable buildings at the time of, and as a condition to, filing a Petition. The City shall select the appraiser to prepare such appraisal and shall provide the appraiser with

instructions on the scope of the appraisal which shall include Base Year rents for at least three comparable buildings containing Rent Stabilized Units located in the same neighborhood as the Covered Property for which the Petition has been submitted. The appraisal shall be prepared by an Appraisal Institute Certified Appraiser with experience appraising rental property in the City. The appraisal will fully explain the appraiser's determination of comparability and any adjustments made by the appraiser between the property that is the subject of the Petition and the comparable properties. (SJMC Section 17.23.830)

b. Exclusion from Claims of Unusually Low Base Year Gross Income. A property in which every Rent Stabilized Unit has been the subject of valid decontrol after the Base Year, in accordance with SJMC Section 17.23.300, is precluded from claiming that Base Year Gross Income was unusually low.

8.03. Pre-submittal Meeting. The Director may, at his or her discretion, authorize Program Staff to hold an informational meeting with a Petitioner to for a fair return Petition (as described in Section 8.02.2 of these Regulations), upon submission of a fair return Petition and after Initial Notice to the Parties is provided in accordance with Section 5.03.1.a of these Regulations. No representation by Program Staff at such a meeting shall be binding on a Hearing Officer.

8.04. Fair Return Hearings.

8.04.1 Program Staff shall assign a Hearing Officer, who shall hear the completed fair return Petition within forty (40) days of the Mailing of the notice of determination of completeness. The Hearing Officer may elect to hold a prehearing conference with the parties. In the event the Hearing Officer elects to hold a pre-hearing conference, the pre-hearing conference and hearing shall each be scheduled within forty (40) days of the Mailing of the notice of determination of completeness. Notice of the hearing date shall be sent to the landlord and tenants. The notice of the hearing date shall be Mailed at least two (2) weeks prior to the Hearing date.

8.04.2 Requests for rescheduling of the hearing will be considered if they are for reasons beyond the control of the requester and are received by program staff at least seven (7) days before the hearing date. Additionally, requests for rescheduling based on a party's medical emergency or similar significant conflicts may be allowed by Program Staff if they were clearly unforeseen upon documentation of the unforeseen event and the immediate notification of Program Staff.

8.04.3 Failure to appear by Landlord or a proxy designated in writing to act for Landlord shall result in a determination that the petition has been withdrawn.

8.04.4 Petition withdrawals must be made in writing and the reason for withdrawal provided. Program Staff will notify Tenants of the withdrawal of a Petition. A new Petition for a property that was the subject of a withdrawn Petition shall be heard by the previously assigned Hearing Officer, unless Program Staff determines that is not feasible.

8.05. Staff Report Regarding Fair Return. Prior to the Hearing, Program Staff shall prepare a staff report that includes the following information, as applicable:

8.05.1 a calculation of the allowable rent adjustment pursuant to the Fair Return Standard,

8.05.2 a breakdown of the Base Year and Current Year income and expense by category,

8.05.3 a computation of the percentage adjustment of the Base Year net operating income showing the steps underlying the calculation consistent with SJMC Section 17.23.830,

8.05.4 a list of all petitions filed for the property in the last twelve (12) months and any approved Petitions for Specified Capital Improvements,

8.05.5 a list of all unresolved City code violation complaints,

8.05.6 a listing of evidence of any violations of SJMC Chapter 17.23,

8.05.7 a listing of any income that may have been received in violation of Chapter 17.23, Part 2.5 of Chapter 20.80,

8.05.8 the names of the parties or proxies designated to receive Notice,

8.05.9 the list of any missing or otherwise incomplete items that was provided to the Petitioner, and

8.05.10 a summary of the petition and evidence submitted.

8.06. Conduct of Hearing.¶

8.06.1 Hearing Officer. The Hearing Officer shall control the conduct of the hearing and rule on procedural requests. The Hearing shall be conducted in the manner deemed by the Hearing Officer to be most suitable to secure that information and documentation which is necessary to render an informed decision, and to result in a fair decision without unnecessary delay.

8.06.2 Hearing Attendance. The petitioners, any opposing parties, and each party's designated proxies, legal representatives, translators and non-party witnesses may attend the Hearing. The Hearing Officer may limit the attendance at the Hearing of persons not necessary for the proceedings. There is no child care available and minors who are not witnesses should not be brought to the Hearing.

8.06.3 Ex Parte Communications. There shall be no oral communication regarding the subject matter of the Petition outside the Hearing between the Hearing Officer and any party or witness, except at a prehearing conference, if any, to clarify and resolve issues (e.g. urgent scheduling issues or other non-substantive topics may be discussed *ex parte*). All

discussion during the Hearing shall be recorded. All written communication from the Hearing Officer to a party after the Hearing has commenced shall be provided consistent with Section 5.03.2 to all parties, or if the party has a proxy, to the proxy.

8.06.4 Records of Hearings. Audio of Hearings will be recorded. This record will be available to all parties for review. The Hearing Officer has the discretion to allow or disallow the making of other records or transcripts.

8.06.5 Order of Proceedings. A hearing on a Petition shall ordinarily proceed in the following manner, unless the Hearing Officer determines that some other order of proceedings would better facilitate the hearing:

a. Submissions after Time Deadlines. If a submission is proffered after the later of the deadline in Section 7.11.2 or, the date for submissions set in the pre-hearing conference, if any, the Hearing Officer may decline to accept the submission into the record unless all parties agree that the late submission is not prejudicial.

b. Length of Hearing. A Hearing schedule shall be established by the Hearing Officer providing for not more than ten (10) hours of Hearing testimony. An extension of this time period may be granted by the Hearing Officer for just cause as determined by the Hearing Officer. Just cause may include but is not limited to Hearing a fair return Petition where the Base Year records are unavailable.

8.06.6 Right of Assistance. All Parties to a Hearing shall have the right to seek assistance in developing their positions, preparing their statements, and presenting evidence from an attorney, tenant organization representative, landlord association representative, translator, or any other person designated by said parties to a Hearing.

8.06.7 Participation in Hearing. Any Party, its designated proxy or its counsel may attend the hearing and offer evidence and testimony. However, the Hearing Officer may adopt rules to encourage a timely and business-like hearing, such as requiring the Parties, rather than their counsel or other advisors, to be the primary speakers at Hearings, with adequate time given to consult with their counsel or advisor, or, with a large group encouraging representatives, if any, to be the primary spokespersons.

8.06.8 Participation of the Hearing Officer. The Hearing Officer shall at all times in the conduct of the Hearing and in otherwise performing the duties of the Hearing Officer act neutrally and impartially as between the Landlord and the Tenants.

8.06.9 Hearing Record. The Hearing Officer shall maintain an official Hearing record, which shall constitute the exclusive record for decision. The Hearing record and decision shall include:

a. A copy of the Petition and documents submitted to support the petition;

b. Any written submissions by the parties;

- the Hearing;
- c. All exhibits, papers, and documents offered either before or during the Hearing;
 - d. A list of participants present at the Hearing;
 - e. A summary of all testimony upon which the decision is based;
 - f. A statement of all materials officially noticed;
 - g. The appeal(s) of the Administrative Decision;
 - h. The Hearing Officer's Decision;
 - i. All findings of fact and conclusions of law;
 - j. Any Administrative Decision provided to the Parties;
 - k. All recommended or final decisions, orders, or rulings; and
 - l. A recording of the Hearing in a format determined by the Director.

8.06.10 Re-Opening of Hearing Record. The Hearing Officer may re-open the Hearing record when she or he believes that further evidence should be considered to resolve a material issue, where the Hearing record has been closed and where a final Decision has not yet been issued by the Hearing Officer. In those circumstances, the Parties may waive further Hearing by agreeing in writing to allow additional exhibits into evidence.

8.07. Guidance for Substantive Determinations on Fair Return Petitions.¶ In addition to the standards identified in SJMC Chapter 17.23, the following guidance shall be incorporated by Hearing Officers when calculating gross income and operating expenses for purposes of identifying and maintaining net operating income.

8.07.1 Operating Expenses. In calculating Operating Expenses for the replacement of facilities, expenses for materials or major equipment necessary to maintain the same level of Housing Services as previously provided may be allowed, except insofar as such expenses are compensated by insurance proceeds or other sources or to the extent that such expenses have already been passed through to Tenants. Such expenses shall be limited to those actually incurred in the Base Year or in the Current Year. The amount expended shall be amortized according to the schedule attached as Appendix A, provided that the Hearing Officer may use seven (7) years for unlisted items, or such other period as is determined to be reasonable and consistent with the purposes of the Ordinance.

8.07.2 Reasonable Maintenance and Repair Expenses. Expenses for maintenance and repair are reasonable and normal where they are consistent within ten percent (10%) from year to year, or otherwise shown to be consistent with the annual recurring level of expenses. The Hearing Officer may also evaluate reasonableness by considering whether such expenses are in keeping with expenses for buildings of similar configuration and age.

8.07.3 Housing Service Reductions and Housing Code Violations. If applicable, any Housing Service Reductions and Housing Code violations must be considered in any determination of what constitutes a reasonable Rent increase.

8.07.4 Reasonableness Generally. If the Petition Examiner or Hearing Officer determines that the variation or timing of expenses is not reasonable, then such expenses may be reallocated or amortized as the Hearing Officer determines to be consistent with the Ordinance.

Expenses should be documented by contemporaneous and complete invoices or other similar documents that identify the provider, cost, address of work, dates, and the nature of the work performed and be provided along with cancelled checks or other proof of payment thereof. Original documents are the best evidence, although all types of evidence may be submitted.

Expense claims based on cash payments or payments to affiliated entities must be documented to the satisfaction of the Petition Examiner or Hearing Officer.

8.07.5 Interest Allowance for Amortized Expenses. The interest allowance for Operating Expenses required to be amortized in connection with a fair return Petition shall equal the interest rate equal to the prime rate as reported by the Wall Street Journal as of the date of the initial submission of the Petition, plus an additional two percent, to be taken as simple interest. (Section 17.23.820.E)

8.07.6 Calculation of Base Year CPI-U. The Consumer Price Index For All Urban Consumers ("CPI-U") for the Base Year shall be 251.985. (Section 17.23.810.D.)

8.07.7 Calculation of Current Year CPI-U.

a. Calendar Year. To determine the CPI-U for the Current Year when petitioner uses a calendar year for the Current Year, the CPI-U for the Current Year shall be the annual average for the Current Year reported by the Bureau of Labor Statistics for the CPI-U index for all urban consumers for all items for the San Francisco-Oakland-San Jose area. Chapter 13 (CPI MAR OPTION)

MAXIMUM ALLOWABLE RENT

13.01. Maximum Allowable Rent, Defined. The maximum allowable rent for a Rent Stabilized Unit shall be the sum of either (a) the Rent lawfully in effect on the effective date of this Ordinance, or (b) the initial rental rate for a new tenancy agreed to by Landlord and Tenant after an event that created a valid decontrol of the Rent Stabilized Unit in accordance with SJMC Section 17.23.300, plus any Annual General Increases authorized since that time for which the Landlord has provided adequate notice to the Tenant Household, plus any increases or decreases in Rent authorized by Petition. The maximum allowable rent for a Rent Stabilized Unit is exclusive of any authorized pass-through costs that may be imposed on Tenants under the SJMC.

13.02. Additional Annual Rent Increases to Receive Maximum Allowable Rent (Catch Up). If the posted Consumer Price Index is less than five percent (5%), a Landlord may increase the Rent for any Rent Stabilized Unit to the maximum allowable rent as provided in this Section.

13.02.1 Th imposition of this increase together with the Annual General Increase may not result in an increase above the Rent charged for the previous twelve (12) months that is more than five percent (5%).

13.02.2 If the Consumer Price Index is five percent (5%) or more no increase is allowed under this Section.

13.03. Maximum Allowable Rent, Database. In conjunction with the annual registration of each Rent Stabilized Unit, the Director may calculate and publish the maximum allowable Rent for each Rent Stabilized Unit.

Chapter 13 (CPI STANDARD BANKING OPTION) BANKING OF AUTHORIZED ANNUAL GENERAL INCREASE

13.01 Purpose. This Chapter authorizes and regulates how Landlords may delay implementation of, or "bank," increases in Rent for a Rent Stabilized Unit that is authorized by the Annual General Increase, in order to impose all or a portion of that Annual General Increase as a component of a future Rent increase. Rent for a Rent Stabilized Unit may be increased only once in any twelve (12) month period. (SJMC Section 17.23.310(C).) This Chapter further authorizes and regulates how Landlords may combine one or more increases in Rent under the SJMC.

13.02 Banking Defined; Notice to Tenant Required. Prior to banking any Annual General Increase in Rent, a Landlord must, at the outset of the tenancy, provide written notice to

the Tenant that the Landlord has the right to bank rent increases. Prior to the date that is twelve (12) months after the last Annual General Increase taken by the landlord, the Landlord shall provide written notice to the Tenant of the amount of the Annual General Increase the Landlord intends to bank, expressed both as a percentage of annual Rent and the actual dollar amount of the rent increase. When a Landlord delays implementation of an authorized Annual General Increase in Rent for a Rent Stabilized Unit for more than twelve (12) months after the first date the Annual General Increase may be implemented under the Ordinance, the Annual General Increase for that Rent Stabilized Unit will be considered tentatively banked by the Landlord for potential future use. Failure to provide notice of banking to a Tenant will invalidate the banking of a rent increase.

13.03 Accounting of Banked Rent Increases per Rent Stabilized Unit. At its sole discretion, a Landlord may bank one or more Annual General Increases in Rent authorized for a Rent Stabilized Unit in accordance with this Chapter. Landlords must maintain an accounting of banked Rent increases on a per-unit basis.

13.03.1 Banked Increases Carryover. Any Rent increase banked for a Rent Stabilized Unit may be carried over for one or more years, subject to the maximum carryover limit described in Section 12.04 of these Regulations.

13.03.2 Annual General Increases Ineligible for Banking. No Annual General Increase may be banked for a Rent Stabilized Unit when the Tenant Household is subject to a charge for pass through of costs for a Specified Capital Improvement authorized by an Administrative Decision pursuant to Chapter 9 of these Regulations, inclusive of any year for which the costs of the Specified Capital Improvement are amortized.

13.03.3 Carryover Invalid upon Unit Decontrol. Any Rent increases banked for a Rent Stabilized Unit carried over from prior years are eliminated upon the valid decontrol of that Rent Stabilized Unit as defined in SJMC Section 17.23.300.

13.04. Maximum Carryover Limit for Banked Increases.

A Landlord may carryover from one year to the next, prior and current Annual General Increases not to exceed ten percent (10%) of annual Rent. Any portion of an Annual General Increase that would exceed the maximum carryover limit for banked increases may not be carried over from one year to the next and so must be implemented to raise Rent or shall be deemed waived.

13.05. Maximum Rent Increase and Specified Capital Improvement Pass Through Allowed.

The maximum combined Rent and pass-through increase allowed, including any banked Rent increases and any pass-through charge increases related to Specified Capital Improvements or fair return Petitions, cumulatively may not exceed eight percent (8%) of the Rent charged for the previous twelve (12) months for the Rent Stabilized Unit, which increase shall be due in equal, monthly installments.
