# Community Development Block Grant Fund

## 2018-2019 Funding Allocation

The Community Development Block Grant (CDBG) Fund accounts for federal grant monies received from the U.S. Department of Housing and Urban Development (HUD). The national objectives of the program are to provide assistance to persons of low- and moderate- incomes, prevent or eliminate slums and blight, or meet an urgent community development need. The chart below summarizes the funding priorities in the following categories: Contractual Community Services (CCS – up to 15% of funding); and Community Development Improvements (CDI), Administration, Fair Housing and Planning (Admin – up to 20% of funding). The Federal Department of Housing and Urban Development (HUD) Section 108 Debt Service payment funded in prior years is no longer necessary due to successful refinancing of the Successor Agency to the Redevelopment Agency Debt. Due to the uncertainty of the Federal Government funding level of CDBG at the time the 2018-2019 Operating Budget was prepared, the chart below reflects the Department’s estimates. The finalization of the CDBG allocations from HUD were presented in the “FY 2018-2019 Annual Action Plan” which was approved by the City Council on June 19, 2018. Details of each category contained in the “FY 2018-2019 Annual Action Plan” can be found at <http://www.sanjoseca.gov/DocumentCenter/View/77624>. Actions to align the 2018-2019 Operating Budget with the approved “FY 2018-2019 Annual Action Plan” will be made during the 2017-2018 Annual Report process.
