# BERRYESSA BART URBAN VILLAGE

Join us in creating the Berryessa BART Urban Village Area Plan that will guide future development within this urban village. San José's first BART station will open in the heart of this urban village. The area is envisioned with commercial and residential development.

To engage the public and enable input, we're planning a series of three community workshops. Leveraging on the success of Workshop 1 held on November 15, 2018, **we are inviting you to Workshop 2, on May 2, 2019.** Everyone is welcomed to share their ideas about the future of this area. We look forward to your input!
