Proposed Project File No. H19-004

Site Development Permit to allow the construction of an up to 17-story, approximately 2.57 million-square foot building with two development options on a 3.67-gross acre site: Option #1 to allow approximately 1.4 million square feet of office space and 35,200 square feet of ground floor commercial space with three levels of underground parking and two level of above ground parking; or Option #2 to allow approximately 2.0 million square feet of office space and 35,200 square feet of ground floor commercial space with three levels of underground parking.

Purpose: To describe the proposed project, the environmental review and planning process, and obtain community input on the project and issues to be discussed in the Environmental Impact Report (EIR) analysis. This Community / EIR Public Scoping Meeting will be held in compliance with the City's Public Outreach Policy (6-30) and the California Environmental Quality Act (CEQA), as amended. Public input on the scope of the EIR is encouraged so that the review addresses all relevant environmental issues. The Notice of Preparation (NOP) for the EIR is available for review online in the EIR Library of the City of San Jose's Planning Division web site: www.sanjoseca.gov/ActiveEIRs
