### **SECTION 403. Elections by Districts.**

For the purpose of electing members of the Council, excepting the Mayor, the City shall be divided into ten (10) numbered Districts as nearly equal in population as practicable. The boundaries of the ten Districts shall be established initially by reference to that certain map of the City of San José, entitled “Election Districts of the City of San José”, filed and displayed in the office of the City Clerk, and drafted according to data contained in the official census of the City as taken in 1975 and certified by the City Clerk. Thereafter the boundaries of such Districts shall be subject to alteration and change under the provisions of this Section.

Following the taking of each federal decennial census, commencing with the 1980 federal decennial census, the Council shall, by ordinance, redistrict the City into ten (10) numbered Districts. If time permits, such ordinance shall be enacted no earlier than three (3) months and no later than eight (8) months following receipt by the City Clerk of data containing an enumeration of population by blocks derived from such census. In no event shall such ordinance be enacted later than October 31 in the year following the decennial census.

The redistricting ordinance shall be adopted according to the provisions of Article VI, Section 604 of this Charter and shall become effective at the expiration of thirty (30) days after adoption of the ordinance; provided, however, that if the redistricting ordinance becomes effective on or after the first day on which nomination papers may be filed for an election to the office of member of the Council, excepting the Mayor, then the ordinance

shall not apply, or be deemed to apply, to that election or to the person elected to the office of member at such election.

By no later than February 1 in the year following the decennial census, the Council shall appoint an Advisory Commission whose purpose shall be to study and make appropriate recommendations with respect to such redistricting. This Advisory Commission shall consist of one (1) member from each District, who shall be appointed by the Council member from that District, and a Chairperson chosen from the City at large, who shall be appointed by the Mayor. The membership of the Commission shall be representative of the ethnic make-up of the City at large, to the extent practicable.

The Advisory Commission shall conduct at least three public hearings, at various locations in the City, concerning its recommendations regarding District boundaries, and shall submit its report and recommendations to the Council within one hundred twenty (120) days following its appointment.

The Council shall duly consider the report and recommendations of the Advisory Commission and in adopting any redistricting ordinance. However, the Council is required to adopt an ordinance within the period of time required under this Section even if the Advisory Commission fails to provide recommendations or reports as specified in this Section.

Except as provided hereinabove, such Districts shall be used for all elections of members of the Council, including their recall, and for filling any vacancy in the office of member of the Council, subsequent to the effective date of such ordinance and until new Districts are established.

Any territory which is annexed to or consolidated with the City but not included within a District shall, prior to or concurrently with completion of the proceedings therefor, be added to an adjacent District or Districts by the Council by ordinance, which shall become effective at the expiration of thirty (30) days after adoption and shall apply to all elections held on and after its effective date.

Any ordinance adopted by the Council and establishing, changing, or altering the boundaries of any District shall describe the new boundaries by reference to a map on file in the office of the City Clerk and/or by a metes-and-bounds description.

In any redistricting, the Council shall make the Districts as nearly equal in population as may be practicable, and may, in establishing the boundaries of the Districts, give consideration to (a) natural boundaries, street lines and/or City boundaries; (b) geography; (c) cohesiveness, contiguity, integrity and compactness of territory; and (d) community of interests within each District.

Upon any redistricting pursuant to the provisions of this Charter, each incumbent member of the Council will continue, during the remainder of the member's term, to hold office and to represent the District by which the member was elected prior to such redistricting,

notwithstanding any provision of Section 404 requiring a member to be a resident of the District represented by such member.

The Council shall be the judge of the election and qualification of its members, including the Mayor, and of any other elective officer, and of the grounds for forfeiture or loss of their respective offices, and for that purpose shall have the power to subpoena witnesses, administer oaths and require the production of evidence. A member, or the Mayor, or the holder of any other elective office, charged with conduct constituting grounds for forfeiture or loss of his or her office shall be given, if he or she so demands, an opportunity to be heard in his or her own defense at a public hearing after reasonable notice to such members.

## **SECTION 407. The Council; Salary.**

Each member of the Council, including the Mayor, shall be paid a salary for his or her services as a member of the Council, which shall be established in accordance with the provisions hereinafter set forth in this Section. No salary shall be established for any member of the Council, including the Mayor, except as provided in this Section.

- (a) Between March 1st and April 30th commencing in 2019, and every five (5) years thereafter, the Salary Setting Commission shall set the amount of base salary which it deems appropriate for the members of the Council, including the Mayor, commencing July 1 of that year. The amount set for each member of the Council shall be the same, except that the amount set for the Mayor may exceed that of the other members of the Council. The base salary shall be in an amount which takes into account the full time nature of the office and which is commensurate with salaries then being paid for other public or private positions having similar full time duties, responsibilities and obligations.

No determination of base salary amounts shall be made except upon the affirmative vote of three (3) members of the Commission. Failure of the Commission to make a determination of salary amounts in any year within the time prescribed shall be deemed to mean that no change to the base salary be made.

- (b) The Salary Setting Commission's determination of the Mayor and Council base salaries, together with the reasons therefor, shall be made in writing and submitted to the City Manager no later than May 1, so that funds can be budgeted and appropriated for that purpose. Before it submits any such determination to the City Manager, the Commission shall conduct at least one public hearing on the matter. When such a determination has been submitted to the City Manager, it shall not thereafter be amended by the Commission.
- (c) Commencing July 1, 2020, and annually thereafter in years in which there are no base salaries set by the Salary Setting Commission under Section 407(a), in order to provide a cost of living adjustment, the base salaries of the Council and Mayor shall increase by a percentage equal to the percentage increase of the preceding calendar year's annual average of the Consumer Price Index-Urban (CPI-U), or successor index, for San Francisco-Oakland-Hayward, as determined by the United States Department of Labor, Bureau of Labor Statistics. In no event shall the CPI-U salary increase exceed 5% per year.
- (d) The Council may, at any time, by ordinance, reduce the salaries of the members of the Council, including the Mayor. In any salary reducing ordinance adopted hereunder, the salaries for each member of the Council shall be the same, except that the salary of the Mayor may exceed that of the other members of the Council.
- (e) For each member of the Council, except the Mayor, a sum, as established by the Salary Setting Commission, shall be deducted from the salary of such member for each regular meeting of the Council, other than regular adjourned meetings, which he or she fails to attend in each such calendar month; provided, however, that such deduction shall not be made for his or her failure to attend any meeting during which he or she is away on authorized City business, or from which he or she is absent because of his or her own illness or the illness or death of a close family member. No deduction shall be made from the Salary of the Mayor because of his or her failure to attend any Council meeting.

- (g) The incumbent ceases to discharge the duties of his or her office for a period of three (3) consecutive months except when prevented by sickness or when absent from the State with permission required by this Charter;
- (h) The incumbent being convicted of a felony or of any offense involving a violation of his or her official duties;
- (i) The refusal or neglect of the incumbent to file his or her official oath or bond, if such is required by law, within the time prescribed by law;
- (j) The decision of a competent tribunal declaring void the incumbent's election or appointment;
- (k) The making of an order vacating the incumbent's office or declaring his or her office vacant when he or she fails to furnish an additional or supplemental bond if such is required of him or her by law;
- (l) The commitment of the incumbent to a hospital or sanitarium, by a court of competent jurisdiction, as a drug addict, dipsomaniac, inebriate, or stimulant addict; but in such event the office shall not be deemed vacant until the order of commitment has become final;

- (m) The incumbent's absence from five (5) consecutive regular meetings of the Council, unless excused by written resolution of the Council. No such excuse shall operate retroactively. No resolution shall excuse an incumbent's absence from more than five (5) consecutive regular meetings immediately following the date of adoption of such resolution although additional resolutions may be adopted excusing an incumbent's absence from not more than five (5) additional regular meetings immediately following the date of each such resolution. For purposes of this subsection, regular meetings from which an incumbent has been absent shall not be deemed consecutive if separated by one or more regular meetings at which such incumbent has been present or his or her absence from which has been excused by the Council. If, for any reason, a vacancy, as defined by Charter Section 409, occurs in the office of Mayor or Council member, the Council shall either fill the vacancy by appointment by a majority of its remaining members, or call an election for the purpose of filling such vacancy.

- (a) **APPOINTMENT.** If the vacancy is filled by appointment, the appointment shall be effective until the end of the unexpired term of office or January 1st following the next Regular Municipal Election after the appointment, whichever ever first occurs.
- (b) **ELECTION.** If the vacancy is to be filled by election, the election will be for the entire unexpired term of the office. The election will either be conducted at a Regular Municipal Election, a General Election or at a Special Municipal Election, as determined by the Council. - (e) NO REMAINING MEMBERS. If the offices of all of the Council members and also of the Mayor should become vacant and no member of the Council remains to fill any vacancies, the City Clerk shall call and conduct a Special Municipal Election, as soon as reasonably possible, to fill such offices for the remainder of the unexpired terms.
- (f) ELECTION DATES. All dates for elections to fill vacancies shall be set by resolution.
- (g) ELECTION IN 1994. The election held on November 8, 1994 to fill a vacancy effective January 1, 1995 in Council District 7 shall be deemed to be an election pursuant to this Section. The person so elected shall serve for the full term of that office.

All transfers or consolidations of functions, and all contracts, resulting from the exercise by the Council of such powers shall be deemed exempt from the Civil Service provisions of this Charter, and all persons employed or whose services are contracted for, pursuant to any such transfer, consolidation or contract shall be deemed, for Civil Service purposes, to be independent contractors and not officers or employees within the Civil Service of the City, regardless of the extent, if any, of any supervision or control which may be exercised over such persons or their activities by any officer or employee of the City. Also, the Council may at any time, or from time to time, authorize or direct the execution of contracts between the City and any public or private body, entity, firm, organization, association or person, for the conduct or making of any special study, inquiry, investigation or examination, or for the preparing or doing of any special or particular services or work, for or on behalf of the City or any office, department or agency thereof, unless such is prohibited by the provisions of any other Article of this Charter, without complying with the provisions of this Article; and all persons with whom such contracts are made shall be deemed, for Civil Service purposes, to be independent contractors and not officers or employees within the Civil Service of the City, regardless of the extent, if any, of any supervision or control which may be exercised over such persons or their activities by any officer or employee of the City. An emergency appointee shall not acquire civil service or other permanent status because of the emergency appointment. The Council may, however, provide that an emergency appointee selected from an eligible list who is otherwise eligible for permanent appointment may acquire such rights as are expressly provided for under Civil Service Rules.

## **SECTION 1111. Compulsory Arbitration for Fire and Police Department Employee Disputes.**

- (a) It is hereby declared to be the policy of the City of San José that strikes by firefighting and peace officers are unlawful in the state of California and not in the public interest and should be prohibited, and that a method should be adopted for peacefully and equitably resolving disputes that might otherwise lead to such strikes.

If any firefighter or peace officer employed by the City of San José willfully engages in a strike against the City, said employee shall be dismissed from his or her employment and may not be reinstated or returned to City employment except as a new employee. No officer, board, council or commission shall have the power to grant amnesty to any employee charged with engaging in a strike against the City.

- (b) The City, through its duly authorized representatives, shall negotiate in good faith with the recognized fire and police department employee organizations on all matters relating to the wages, hours, and other terms and conditions of City employment, including the establishment of procedures for the resolution of grievances submitted by either employee organization over the interpretation or application of any negotiated agreement including a provision for binding arbitration of those grievances. Unless and until agreement is reached through negotiations between the City and the recognized employee organization for the fire or police department or a determination is made through the arbitration procedure hereinafter provided, no existing benefit or condition of employment for the members of the fire department or police department bargaining unit shall be eliminated or changed.
- (c) All disputes or controversies pertaining to wages, hours, or terms and conditions of employment which remain unresolved after good faith negotiations between the City and either the fire or police department employee organization shall be submitted to a three-member Board of Arbitrators upon the declaration of an impasse by the City or by the recognized employee organization involved in the dispute. All issues concerning the scope of the arbitration Board's authority, jurisdiction or powers shall, upon the request of either party, be resolved by petition to the Superior Court.
- (d) Representatives designated by the City and representatives of the recognized employee organization involved in the dispute, controversy or grievance shall each select one arbitrator to the Board of Arbitrators within three (3) days after either party has notified the other, in writing, that it desires to proceed to arbitration. The third member of the Arbitration Board shall be selected by agreement between the two arbitrators selected by the City and the employee organization, and shall serve as the neutral arbitrator and Chairman of the Board. In the event that the arbitrators selected by the City and the employee organization cannot agree upon the selection of the third arbitrator within ten (10) days from the date that either party has notified the other that it has declared an impasse, then either party may request the Superior Court of the County of Santa Clara to appoint an arbitrator who shall be a retired judge of the Superior Court.

Any arbitration convened pursuant to this section shall be conducted in conformance with, subject to, and governed by Title 9 of Part 3 of the California Code of Civil Procedure to the extent that such procedures do not conflict with this Charter Section. Unless otherwise mandated by state or federal law, all arbitration hearings shall be open to the public and all documents submitted in arbitration shall be public records. Notwithstanding any other provision of this Charter to the contrary, the authority, jurisdiction and powers of the Board of Arbitrators are limited by the provisions of this Section.

- (e) At the conclusion of the arbitration hearings, the Arbitration Board shall direct each of the parties to submit, within such time limit as the Board may establish, a last offer of settlement on each of the issues in dispute. The Arbitration Board shall decide each issue by majority vote by selecting whichever last offer of settlement on that issue it finds by the preponderance of the evidence submitted to the Arbitration Board satisfies section (f) below, is in the best interest and promotes the welfare of the public, and most nearly conforms with those factors traditionally taken into consideration in the determination of wages, hours, and other terms and conditions of public and private employment, including, but not limited to, changes in the average consumer price index for goods and services, the wages, hours, and other terms and conditions of employment of other employees performing similar services.
- (f) In all arbitration proceedings conducted pursuant to this section, the primary factors in decisions regarding compensation shall be the City's financial condition and, in addition, its ability to pay for employee compensation from on-going revenues without reducing City services. No arbitration award may be issued unless a majority of the Arbitration Board determines, based upon a fair and thorough review of the City's financial condition and a cost analysis of the parties' last offers, that the City can meet the cost of the award from on-going revenues without reducing City services. The arbitrators shall also consider and give substantial weight to the rate of increase or decrease of compensation approved by the City Council for other bargaining units.

“Compensation” shall mean all costs to the City, whether new or ongoing, for salary paid and benefits provided to employees, including but not limited to wages, special pay, premium pay, incentive pay, pension, retiree medical coverage, employee medical and dental coverage, other insurance provided by the City, vacation, holidays, and other paid time off.

- (g) Additionally, the Board of Arbitrators shall not render a decision, or issue an award, that:
  - (1) increases the projected cost of compensation for the bargaining units at a rate that exceeds the rate of increase in revenues from the sales

tax, property tax, utility tax and telephone tax averaged over the prior five fiscal years; or

- (2) retroactively increases or decreases compensation, including, but not limited to, enhancements to pension and retiree health benefit for service already rendered, but excluding base wages; or
  - (3) creates a new or additional unfunded liability for which the City would be obligated to pay; or
  - (4) deprives or interferes with the discretion of the Police Chief or Fire Chief to make managerial, operational or staffing decisions, rules, orders and policies in the interest of the effective and efficient provision of police and fire services to the public.
- (h) Compliance with the provisions of this Section shall be mandatory and enforceable pursuant to section 1085 of the Code of Civil Procedure; failure to comply with these provisions shall also constitute an act in excess of jurisdiction.
- (i) After reaching a decision, the Arbitration Board shall mail or otherwise deliver a true copy of its decision to the parties. The decision of the Arbitration Board shall not be publicly disclosed and shall not be binding until ten (10) days after it is delivered to the parties. During that ten-day period the parties may meet privately, attempt to resolve their differences, and by mutual agreement amend or modify any of the decisions of the Arbitration Board. At the conclusion of the ten-day period, which may be extended by mutual agreement between the parties, the decision of the Arbitration Board together with any amendments or modifications agreed to by the parties shall be publicly disclosed and shall be binding upon the parties. The City and the recognized employee organization shall take whatever action is necessary to carry out and effectuate the award.
- (j) The expenses of any arbitration convened pursuant to this section, including the fee for the services of the Chairman of the Arbitration Board, shall be borne equally by the parties. All other expenses which the parties may incur individually are to be borne by the party incurring such expenses.
- (k) This Section shall be effective immediately upon passage by the voters, and shall apply to any arbitration in which hearings commence after November 2, 2010.
- (l) The voters declare that the provisions of this Section are not severable, and none would have been enacted without the others. Should any portion of this Section 1111 be enjoined or declared invalid, all provisions shall be deemed

invalid and inoperative and there shall be no compulsory arbitration for fire and police department employee disputes.

The budget shall provide a complete financial plan of all City funds and activities for the ensuing fiscal year and, except as required by law or this Charter, shall be in such form as the Council may require or, in the absence of Council requirements, in such form as the City Manager deems desirable. It shall begin with a clear general summary of its contents; shall show in detail all estimated income, including the amount proposed to be raised by property taxation, estimated unencumbered balances of funds to be carried over from the preceding year, estimated unencumbered available reserves, and all proposed expenditures, including debt service, for the ensuing year. The total of proposed expenditures shall not exceed the total of estimated income, estimated unencumbered balances of funds to be carried over from the preceding year and unencumbered available reserves.

### **SECTION 1206. Council Action on Budget.**

Upon receipt of the proposed budget from the City Manager, the Council shall proceed to consider the same and may make such revisions and changes as it may deem advisable; but it shall not adopt such budget, either as proposed by the Manager or as revised or changed by the Council, until after it shall have held a public hearing in accordance with the following provisions of this Section.

The Council shall fix a time and place for a public hearing on the budget, and shall cause a notice of such public hearing to be published not less than ten (10) days prior to said hearing by at least one insertion in a newspaper of general circulation within the City. Copies of the proposed budget as submitted by the City Manager shall be filed and available for inspection by the public in the office of the City Clerk for at least ten (10) days prior to said hearing. Statements, or copies, of such revisions or changes as the Council shall have made in the proposed budget prior to said public hearing shall be available for public inspection at the public hearing. The notice of said public hearing shall state the time and place of public hearing and the times and place where copies of the budget as submitted by the City Manager will be available for public inspection, and shall further state that statements, or copies, of such revisions or changes as the Council shall have made in the proposed budget before the public hearing will be available for public inspection at the time and place of said public hearing.

At the time and place advertised for said public hearing or at any time or place to which said public hearing shall from time to time be adjourned, the Council shall hold a public hearing on the proposed budget, and upon such revisions or changes as may have been made by the

Council, at which interested persons desiring to be heard shall be given reasonable opportunity to be heard. Upon conclusion of such public hearing, the Council may adopt the proposed budget with such amendments, if any, as it may deem desirable. Such amendments may add or increase programs or amounts or may delete or decrease any programs or amounts except expenditures required by law or for debt service, provided that no amendment to the budget shall increase proposed expenditures to an amount greater than the total estimated income plus unencumbered available reserves and estimated unencumbered balances of funds carried over from the preceding fiscal year.

### **SECTION 1207. Appropriations.**

After adoption of the budget and on or prior to the beginning of the budget year, the Council, by ordinance, shall appropriate monies for the operation of each of the offices, departments and agencies of the City during the budget year and for other purposes or objects named in the budget. Appropriations may be made for various classes or categories of expenditures, if the Council deems such to be desirable, without separately appropriating specific amounts of money for each of the items of expenditure within any class or category. Each department, officer or agency to or for which an appropriation has thus been made shall be deemed authorized to use the money so appropriated, subject to the supervision and direction of the City Manager and subject to such other restrictions as are elsewhere set forth in this Charter or are imposed by the Council, for the classes or categories of expenditures specified in the appropriation ordinance, provided its expenditures are within the bounds of the appropriation. Appropriations for bond interest, bond redemption, fixed charges and other classes or categories of expenditures not appropriated to a specific department, office or agency shall be subject to the administration of and expenditure by the City Manager for the respective classes or categories of expenditures for which such appropriations are made.

Appropriation ordinances adopted pursuant to the provisions of this Section need not be first passed for publication, nor be published, and shall be effective immediately upon adoption.

In the event the Council should fail to adopt such ordinance within the prescribed time, the several amounts proposed as expenditures in the budget adopted by the Council, or if the Council has not yet adopted a budget, the several amounts proposed as expenditures in the budget as prepared and submitted by the City Manager to the Council, for the classes or categories of expenditures therein mentioned, so far as they relate to operation and maintenance expenditures, shall be deemed appropriated for such classes or categories of expenditures until the Council adopts said appropriation ordinance for the current budget year.

### **SECTION 1208. Appropriations; Changes.**

Appropriations may be amended, revised or supplemented as follows:

- (a) **SUPPLEMENTAL APPROPRIATIONS.** If during the budget year the City Manager certifies or the Council finds that there are available for appropriation revenues in excess of those estimated in the budget, the Council

by ordinance may make supplemental appropriations for the year up to the amount of such excess.

- (b) EMERGENCY APPROPRIATIONS. To meet a public emergency affecting life, health, property or the public peace the Council may make emergency appropriations. Such appropriations may be made by emergency ordinance in accordance with the provisions of sub-section (e) of Section 605 of this Charter.
- (c) REDUCTION OF APPROPRIATIONS. If at any time during the budget year it appears probable to the City Manager that the revenues available will be insufficient to meet the amounts appropriated, he or she shall report to the Council without delay, indicating the estimated amount of the deficit, any remedial action taken by him or her, and his or her recommendations as to any other steps to be taken. The Council shall then take such further action as it deems necessary to prevent or minimize any deficit, and for that purpose it may by ordinance or resolution reduce one or more appropriations.

Also, at any time during the budget year, the Council may repeal or reduce, for any other reason, by ordinance or resolution, any appropriation theretofore made; and, at any time during the budget year, may reappropriate by ordinance all or part of the amount of such reduction for the same or any other class or category of expenditure.

- (d) TRANSFER OF APPROPRIATIONS BY COUNCIL. At any time during the budget year, the Council may, by ordinance or resolution, transfer part or all of any unencumbered balance of any appropriation from any department, office or agency to another or from any class or category of expenditure to another class or category of expenditure.

Ordinances or resolutions adopted by the Council pursuant to the provisions of this Section shall be effective immediately upon adoption.

*Amended at election June 7, 1994*

### **SECTION 1209. Lapse of Appropriations.**

Except as otherwise provided elsewhere in this Charter, every appropriation shall lapse at the close of the fiscal year to the extent that they shall not have been expended or encumbered.

### **SECTION 1210. Control of Expenditures by City Manager.**

The several items of expenditure appropriated each fiscal year being based on estimated receipts, income or revenues which may not be fully realized, it shall be incumbent upon the City Manager to establish a schedule of allotments, monthly or quarterly or as he or she may otherwise determine, under which the sums appropriated to the several departments, offices

and agencies shall be expended. The City Manager shall revise revenue estimates from time to time, and may revise allotments at any time.

No officer, department or agency of the City, during any budget year, shall expend or incur any obligation to expend money for any class or category of expenditure not authorized by or in excess of the amounts appropriated by the Council, or in excess of any allotments made by the City Manager.

*Amended at election June 7, 1994*

### **SECTION 1211. Funds; General Fund.**

All monies paid into the City Treasury shall be credited to and kept in separate funds in accordance with provisions of this Charter or ordinance. A fund, to be known as the “General Fund,” is hereby created as a medium of control and accounting for all City activities excepting activities for which special funds are established and maintained. All revenues and receipts which are not required by this Charter, State law or ordinances to be placed in special funds shall be credited to the General Fund.

### **SECTION 1212. Cash Reserve Fund.**

A revolving fund, to be known as the “Cash Reserve Fund,” is hereby created for the payment of any authorized expenditures of the City for any fiscal year in anticipation of and before the collection of taxes and other revenues of the City for such fiscal year, and for the payment of authorized expenses of the City for any fiscal year which became due and payable and must be paid prior to the receipt of tax payments and other revenues for such fiscal year. A reserve shall be built up in said fund from any available sources other than restricted sources in an amount which the Council deems sufficient for said purposes. If necessary, money may be borrowed on tax anticipation notes, subject and pursuant to State law, for the purpose of establishing and maintaining said funds until monies from other available sources are adequate for such purpose. Transfers may be made by the Council from such fund to any other fund or funds of such sum or sums of money that may be required to place or keep such other fund or funds on a cash basis. All monies so transferred from the Cash Reserve Fund to any other fund or funds shall be returned to the Cash Reserve Fund before the end of the fiscal year. The balance in said fund at the end of any fiscal year shall be carried forward in said fund; provided, however, that, to the extent that the amount of money in such fund should exceed such amount as the Council deems desirable for purposes of such fund, the Council may transfer such excess to any other fund or funds for any other purpose or purposes.

### **SECTION 1213. Emergency Reserve Fund.**

A fund, to be known as the “Emergency Reserve Fund,” is hereby created for the purpose of meeting any public emergency involving or threatening the lives, property or welfare of the people of the City or property of the City. A reserve shall be built up in said fund from any available sources, other than restricted sources, in an amount which the Council deems

desirable. Except as otherwise hereinafter provided, money in said fund shall be expended pursuant to appropriations made therefrom by ordinance.

In case of a public emergency involving or threatening the lives, property or welfare of the people of the City or the property of the City, the City Manager shall have the power, until the next meeting of the Council, subject to the availability of funds therefor and, subject to such conditions, restrictions and limitations as the Council may impose, to summon, organize and direct the forces of any department of the City in any needed service, to summon, marshal, deputize or otherwise employ other persons, or to do whatever else he or she may deem necessary for the purpose of meeting the emergency; and for such purpose, to the extent that other monies have not been appropriated or are otherwise unavailable therefor, he or she may expend any unencumbered monies in the Emergency Reserve Fund notwithstanding the fact that such monies may not have been appropriated for such purpose. At the first meeting of the Council following any such action, the City Manager shall present to the Council a full report of what he or she has done to meet the emergency.

*Amended at election June 7, 1994*

#### **SECTION 1214. Other Funds.**

The Council may provide, by ordinance, for the establishment and maintenance of other special funds.

#### **SECTION 1215. Independent Audit.**

The Council shall employ at the beginning of each fiscal year a certified public accountant who shall audit the municipal books, records, accounts and fiscal procedures of all officers and employees of the City who receive, administer or disburse public funds on behalf of the City, and such other officers, employees, departments and agencies as the Council may direct. The Council may order a special audit of any particular department or division of the City government at any time. Such accountant shall at all times abide by the current and most accepted standards of municipal accounting. As soon as practicable after completion of a special audit, if such an audit should be ordered by the Council, said independent accountant shall submit a special report to the Council setting forth his or her findings and recommendations with respect to the matters covered by such special audit. Also, as soon as practicable at the end of the fiscal year, a final report shall be submitted by such independent accountant to the Council setting forth his or her findings and recommendations respecting the records, accounts, and fiscal procedures covered by his or her general audit. Three (3) copies of each report shall be placed on file in the office of the City Clerk where they shall be available for public inspection.

*Amended at election June 7, 1994*

#### **SECTION 1216. Bonded Debt Limit.**

The City shall not incur any indebtedness evidenced by general obligation bonds which shall in the aggregate exceed the sum of fifteen percent (15%) of the total assessed valuation of all the real and personal property within the City.

## **SECTION 1217. Public Works Procurement Requirements.**

- (a) **DEFINITIONS.** For the purposes of this Section, the following words have the following meanings.
- (1) “Public Works Project” means a project for the construction, erection, improvement or demolition of any public building, street, bridge, drain, ditch, canal, dam, tunnel, sewer, water system, fire alarm system, electrical traffic control system, street lighting system, parking lot, park or playground. “Public Works Project” shall not mean or include the following: (i) maintenance of any Public Works Project, (ii) any repairs, construction, erection, improvement, or demolition incidental to such maintenance, or (iii) the planting, care or maintenance of trees, shrubbery or flowers.
  - (2) “Major Public Works Contract” means a City contract for a Public Works Project that, at the time of award, requires the expenditure of City funds of more than \$600,000, excluding the cost of any materials, supplies or equipment the City may have acquired or may separately acquire.
  - (3) “Minor Public Works Contract” means a City contract for a Public Works Project that, at the time of award, requires the expenditure of City funds in an amount less than the threshold amount to be a Major Public Works Contract.
  - (4) “Design-Build Contract” means a City contract in which both the design and construction of the Public Works Project are procured from a single entity.
- (b) **ADJUSTMENT FOR INFLATION.** Every July 1st the \$600,000 threshold used to define a Major Public Works Contract will be adjusted for inflation in the construction industry as set forth more specifically by ordinance of the City Council.
- (c) **PROCUREMENT – MAJOR PUBLIC WORKS CONTRACTS.** The primary means of procuring a Major Public Works Contract will be formal public bidding in which, following public notice, the City will award the contract to the lowest responsive bidder that is responsible. Formal public bidding will occur consistent with the requirements in Subsections (e) through (h) of this Section, and as otherwise set forth by ordinance of the City Council.
- (1) As a procurement alternative for Major Public Works Contracts, the City can select a contractor using objective criteria to determine the best combination of price and qualifications. This procurement process

will be set forth by ordinance of the City Council consistent with the following requirements.

- (i) The City will follow the formal bidding requirements in Subsections (e) through (h) except as otherwise provided in Subsections (c)(1)(ii) through (c)(1)(v).
  - (ii) The City will designate a panel to evaluate the qualifications of the bidders and to assign to each bidder a qualification score. The panel will base the qualification score on an evaluation of objective criteria that may include, but is not limited to, a bidder's safety record, past performance, labor compliance, demonstrated management competence, financial condition and relevant experience.
  - (iii) The qualification score may be determined as part of a prequalification or as part of the bid solicitation. In either case, the relevant documents will set forth the criteria, methodology and rating system the panel will use to evaluate bidders.
  - (iv) Bid prices will remain sealed until after the evaluation panel has assigned a qualification score to each bidder.
  - (v) Based on a formula that uses the assigned qualification score and bid price, the City will award the contract to the lowest responsive bidder that is responsible.
- (2) As a procurement alternative for Major Public Works Contracts over \$1,000,000, the City may negotiate and award a Design-Build Contract without formal public bidding if the City Council finds that such a contract would save money or result in faster project completion. The process for competitively selecting a design-build contractor, and for negotiating and awarding a Design-Build Contract, will be set forth by ordinance of the City Council.
- (d) **PROCUREMENT – MINOR PUBLIC WORKS CONTRACTS.** The City will procure Minor Public Works Contracts in the manner set forth by ordinance of the City Council.
- (e) **NOTICE REQUIREMENT AND PROCEDURE.**
- (1) The notice inviting bids shall set a date for the opening of bids, and shall be published at least once, at least ten (10) days before the date set for opening of bids, in a newspaper of general circulation in the City or electronically so that the notice is publicly available to the general community of potential bidders.

- (2) All bids, including such bidder's security as may be required, shall be presented under sealed cover.
  - (3) If the successful bidder fails to execute the contract within the time specified in the notice inviting bids or in the specifications referred to therein, the amount of the security required, if any, may be declared forfeited to the City and may be collected and paid into its General Fund, and all bonds so forfeited may be prosecuted and the amount thereof collected and paid into such fund.
  - (4) All bids shall be publicly opened, and the aggregate bid of each bidder declared at a time and place specified in the notice inviting bids.
  - (5) The Council shall have the right to waive any informalities or minor irregularities in bids or bidding.
- (f) APPRENTICESHIP PROGRAM. Nothing herein shall preclude the City from including in any contract provisions that require contractor participation in an apprenticeship program for at-risk youth.
- (g) OTHER PROGRAMS. Nothing herein precludes the City from implementing otherwise lawful programs supporting the use of small, local or economically disadvantaged businesses.
- (h) SELECTION OF LOWEST RESPONSIBLE BIDDER. If no bids are received, the Council may re-advertise, or have the "Public Works Project" for which no bids are received done, without further complying with this Section.
- (1) If two or more bids are the same and the lowest, the Council may accept the one it chooses.
  - (2) In its discretion, the Council may reject any or all bids presented. If it rejects all bids, the Council may, in its discretion, re-advertise.
  - (3) If, after rejecting all bids for any "Public Works Project" and after re-advertising for bids, the Council finds and declares that the bids were excessive, it may have such "Public Works Project" done by City employees without further complying with this Section.
- (i) SECTION NOT APPLICABLE. The provisions of this Subsection (c) of this Section shall not apply to any of the following Public Works Projects.
- (1) Any Public Works Project done for the City by any public or governmental body or agency.

- (2) Any Public Works Project done by any public utility which is either publicly owned or is regulated by the Public Utilities Commission of the State of California where such work involves any property of such public utility or is otherwise of direct concern to both the City and such public utility.
  - (3) Any Public Works Project done by a subdivider, developer, or owner of real property in connection with the subdivision or development by him or her of any real property, notwithstanding the fact that such may be subject to entire or partial reimbursement from the City.
  - (4) Any Public Works Project involving highly technical or professional skill where the peculiar technical or professional skill or ability of the person selected to do such work is an important factor in his or her selection.
  - (5) Expenditures deemed by the Council to be of urgent necessity for the preservation of life, health, or property, provided the same are authorized by resolution of the Council adopted by the affirmative vote of at least eight (8) members of the Council and containing a declaration of the facts constituting the urgency.
  - (6) Situations where solicitation of bids would for any reason be an idle act.
- (j) PURCHASE OF SUPPLIES MATERIALS AND EQUIPMENT. The procedures for the purchase of supplies materials and equipment shall be as prescribed by ordinance.

**SECTION 1218. Claims Against City.**

Except as otherwise required by the provisions of State law applicable to chartered cities, claims against the City shall be presented and audited as prescribed by ordinance.

## **SECTION 1219. Property Tax Limit.**

Except as otherwise provided in this Section, the Council shall not levy an ad valorem property tax for any fiscal year in excess of One and 40/100 Dollars (\$1.40) on each One Hundred Dollars (\$100) of assessed value of taxable property in the City unless authorized by the affirmative votes of a majority of the electors voting on a proposition to increase such levy at any election at which the question of such additional levy is submitted to the electors of the City. The number of years that such additional levy is to be made shall be specified in any such proposition. Notwithstanding the foregoing provisions of this Section, there shall be levied and collected at the same time and in the same manner as other ad valorem property taxes of the City are levied and collected, as additional taxes not subject to the foregoing tax limit, if no other provision for the payment thereof is made, a tax sufficient to meet all obligations of the City for principal and interest on all bonds or judgments due and unpaid or to become due during the fiscal year which constitute general obligations of the City.

## **SECTION 1220. Revenue Bonds for Off-street Parking or Airport Facilities.**

The Council shall have the power to issue revenue bonds to finance the acquisition, construction, establishment, expansion, improvement, maintenance, operation and administration of off-street vehicular parking facilities within the City (hereinafter in this section referred to as “the project”). The Council shall also have the power to issue revenue bonds to finance the acquisition, construction, establishment, expansion, improvement, maintenance, operation and administration of municipal airport facilities (hereinafter in this Section also referred to as “the project”). Such revenue bonds may be issued in such manner and upon such terms and conditions as may be fixed and established by ordinance of the Council. In the alternative, the Council may issue such revenue bonds under the general laws of the State of California applicable thereto, provided that no election shall be required for the issuance of such revenue bonds. The authorization granted to the Council by this section to issue revenue bonds for any of said purposes is complete, and no additional authorization shall be required for their issuance. Neither such revenue bonds nor the interest accruing thereon shall constitute indebtedness of the City, nor shall be taken into consideration in determining the limit of general obligation bonded indebtedness of the City. Such revenue bonds, the interest accruing thereon and any reserve, sinking fund or special fund created to secure the payment of such bonds shall be a charge solely upon the revenues, or upon such portion thereof as may be fixed by the Council, of the project on account of which such bonds were issued. Such revenue bonds shall not be a charge, lien or encumbrance, legal or equitable, on any funds or property of the City, other than the revenues of the project on account of which they were issued, excepting that on-street parking meter revenues may be pledged as additional security for the payment of revenue bonds issued for any automotive parking facilities pursuant to the Constitution of this State. Neither the credit nor the taxing power of the City shall be deemed to be pledged to or charged with the payment of the principal or interest of any such revenue bonds, nor shall the holders of such revenue bonds have any right to compel the exercise of the taxing power of the City or the forfeiture of any of its properties. The provisions herein contained for the issuance of revenue bonds shall constitute an alternative method of financing said municipal projects.

Nothing contained in this Charter shall preclude the issuance of general obligation bonds of the City for all or any of the above mentioned purposes pursuant to proceedings taken therefor in accordance with the Constitution and General Laws of the State.

### **SECTION 1221. Revenue Bonds for Public Utilities.**

No revenue bonds shall be issued by the City for the purpose of supplying its inhabitants, or any portion thereof, with water, light, heat, power, railroad or motor vehicle transportation service (other than airport service), or telephone, telegraph or wireless communication service unless authorized by the affirmative vote of a majority of the electors voting on such a proposition in each case.

Nothing herein contained, however, shall be deemed to apply to any of the facilities mentioned in Section 1220. ### **SECTION 1602. Election Procedure.**

Except as otherwise provided by ordinance hereafter enacted, all municipal elections shall be held in accordance with the provisions of the Elections Code of the State of California, as the same now exist or may hereafter be amended, for the holding of elections in cities, insofar as the same are not in conflict with this Charter.

### **SECTION 1603. Initiative, Referendum and Recall.**

The powers of initiative, referendum and the recall of elected municipal officers are hereby reserved to the electors of the City. The provisions of the Elections Code of the State of California, as the same now exist or may hereafter be amended, governing the initiative and referendum and the recall of municipal officers in cities shall be applicable insofar as the same are not in conflict with this Charter; provided, however, that the number of signatures required shall be as follows:

- (a) **INITIATIVE.** To initiate proceedings for the exercise of the power of initiative, either of the following provisions shall apply as is applicable:
  - (1) If the petition is signed by duly qualified electors of the City equal in number to at least eight percent (8%) of the number of persons eligible to vote according to the last report of registration filed by the County Registrar of Voters with the Secretary of State, which is in effect at the time the notice of intent to circulate the petition is published, and contains a request that the proposed ordinance be submitted immediately to a vote of the people at a Special Municipal Election, the Council shall either pass the proposed ordinance for publication, without alteration, at the regular meeting at which it is presented by the City Clerk and adopt said ordinance within ten (10) days after it is presented, or immediately call a Special Municipal Election at which the ordinance, without alteration, shall be submitted to a vote of the voters of the City.

- (2) If the petition is signed by duly qualified electors of the City equal in number to at least five percent (5%) of the number of persons eligible to vote according to the last report of registration filed by the County Registrar of Voters with the Secretary of State, which is in effect at the time the notice of intent to circulate the petition is published, and the ordinance petitioned for is not required to be, or for any reason is not, submitted to the voters at a Special Municipal Election, and is not adopted without alteration by the Council, then the proposed ordinance, without alteration, shall be submitted by the Council to the voters at the next General Election.
- (3) In the event that a petition is submitted in accordance with the provisions of either subparagraphs (1) or (2) of subsection (a), and the Council submits said proposed ordinance to a vote of the voters of the City, the Council may by a two-thirds vote of the Council submit any alternative ordinance at the same election. If the provisions of two or more ordinances adopted at the same election conflict, the ordinance receiving the highest number of affirmative votes shall control.
  - a. Before the Council may submit any alternative ordinance to a vote of the voters of the City, the Council shall refer the petition submitted in accordance with the provisions of either subparagraphs (1) or (2) of subsection (a) for a report on all of the following:
    - (i) The accuracy of the information provided in the petition.
    - (ii) The economic impact of the petition on the public, as well as the proponents and major donors to the petition if known.
    - (iii) Whether the petition would create a benefit or entitlement that would be difficult or impossible to reverse.
  - b. The report must be prepared by a person or entity that is independent from the City, which may be a consultant retained by the City. The report may not include arguments in support or opposition to the petition, rationales for any alternative ordinance, or value judgments from the findings.
  - c. The report must be presented to the Council within the time prescribed by the Council, but no later than the deadline to submit the petition to the voters, and must be accepted by a majority vote of the Council.

- d. The report may be in addition to any other report the Council is authorized to request under State law and may be requested during the circulation of the petition.
  
- (b) REFERENDUM. To initiate proceedings for the exercise of the power of referendum, the petition shall be signed by duly qualified electors of the City equal in number to at least eight percent (8%) of the number of persons eligible to vote according to the last report of registration filed by the County Registrar of Voters with the Secretary of State, which is in effect at the time of adoption of the ordinance or measure which is the subject of the petition.
  
- (c) RECALL OF THE MAYOR. To initiate proceedings for the exercise of the power of recall of the Mayor, the petition shall be signed by duly qualified electors of the City equal in number to at least twelve percent (12%) of the number of persons eligible to vote according to the last report of registration filed by the County Registrar of Voters with the Secretary of State, which is in effect at the time the notice of intent to circulate the petition is published.
  
- (d) RECALL OF COUNCIL MEMBER. To initiate proceedings for the exercise of the power of recall of a Council member elected by a District, the petition shall be signed by duly qualified electors of the District equal in number to at least twelve percent (12%) of the number of persons residing in the District eligible to vote according to the last report of registration filed by the County Registrar of Voters with the Secretary of State, which is in effect at the time the notice of intent to circulate the petition is published.

The provisions of the Elections Code of the State of California governing the recall of holders of elective offices of cities, as they now exist or may hereafter be amended, shall be applicable, insofar as the same are not in conflict with this Charter, to the removal from his or her office of the person holding the position of City Manager, the same as if the position of City Manager were an elective office; provided, however, that:

- (a) To initiate proceedings for the exercise of said power, the petition shall be signed by duly qualified electors of the City equal in number to at least the same percentage of the number of persons eligible to vote according to the last report of registration filed by the County Registrar of Voters with the

Secretary of State, which is in effect at the time the notice of intent to circulate the petition is published, as is required for recall petitions under the provisions of sub-section (c) of Section 1603 of this Charter.

- (b) If a vacancy occurs in the office of City Manager after a removal petition has been filed, no election need be held;
- (c) There shall be no nomination of candidates to succeed the incumbent in the event the incumbent is removed from office. If the incumbent is removed from his or her office pursuant to the provisions of this Section, a successor shall be appointed by the Council.

No person who has been removed from the office of City Manager pursuant to the provisions of this Section shall be reappointed thereto within a period of four (4) years from and after date of such removal.

## **ARTICLE XIX**

### **AN ACT TO LIMIT URBAN SPRAWL AND THE FISCAL AND ENVIRONMENTAL EFFECTS OF SPECIFIED DEVELOPMENT IN OUTLYING AREAS**

#### **SECTION 1901. Findings and Purpose.**

The people of the City of San José find and declare as follows:

- (a) San José’s experience with rapid growth has provided hard lessons regarding the economic and environmental costs of urban sprawl. The City’s sprawling pattern of residential development has led to excessive dependence upon the automobile, and makes more environmentally friendly alternatives such as transit, walking, and cycling more costly and less efficient. It results in higher levels of greenhouse gas emissions, and it burdens residents with higher transportation costs and worse health outcomes than in-fill, transit-oriented residential development.
- (b) In the past, residential development at the City’s edge has also led to destruction of precious hillside open spaces and adverse impacts on traffic, water quality, water supply, air quality, and wildlife preservation. Since the mid-1990’s, the City has sought to limit these economic costs and adverse environmental impacts through use of an Urban Growth Boundary (UGB) that discourages urban sprawl and establishes the ultimate limit on urbanization within the City. The City’s first UGB was adopted by a unanimous vote of the City Council in 1996. The City’s voters subsequently adopted Measure A in 2000, establishing the UGB with procedures for its future modification.
- (c) The City has found that urban development at its edge, particularly residential development, also does not generate sufficient revenues to cover the costs of providing urban services—such as police and fire response—and infrastructure—such as roads and sewers—at longer distances.

- (d) San José has been described as one of the largest “bedroom communities” in the United States. San José has a population of over one million residents with a ratio of only 0.8 jobs per employable resident, which means that there are fewer people in San José during the day than at night. The relatively low number of employers within San José forces thousands of San José residents to commute to jobs in other cities like Santa Clara, Sunnyvale, Mountain View, and Palo Alto.
- (e) The jobs-housing imbalance in the area contributes to congestion on streets and freeways in San José, as well as the regional transportation grid, and adds significant time and distance to commutes because a disproportionate number of San José residents drive to jobs outside of the City of San José.
- (f) The San José General Plan identifies improvement of the City’s jobs-housing imbalance, or “Jobs/Employed Residents Ratio,” as a critical policy goal. In light of this objective, the General Plan seeks to support the generation of 380,000 new jobs through 2040, focusing employment growth in the Downtown area and on existing employment lands citywide like North San Jose, Edenvale, the Monterey Corridor, Evergreen, North Coyote Valley, urban villages, neighborhood business districts, and major commercial corridors along existing and future transit corridors. The General Plan places a strong emphasis on protecting employment lands, and recognizes that further employment land conversions would have significant negative environmental, fiscal and economic implications, contrary to the General Plan’s policies.
- (g) The current General Plan, including the Housing Element of the General Plan, also identifies available land that is designated and zoned for 120,000 new housing units consistent with state law, and the City’s Housing Element is certified as adequate by the California Department of Housing and Community Development.
- (h) In order to support the development of all types and income levels of housing, including affordable housing at moderate, low, and very-low income levels pursuant to the City Inclusionary Housing Ordinance (San José Municipal Code Chapter 5.08), while also preserving and enhancing the quality of the City’s neighborhoods and strengthening the Urban Growth Boundary, the General Plan focuses residential development primarily in specifically identified Growth Areas in order to avoid urban sprawl and the costs of City infrastructure and services associated with such sprawl. Accordingly, most new housing development will be achieved through higher-density development in existing urbanized areas.
- (i) The policies in the City’s current General Plan were adopted unanimously by the City Council in 2011 after significant review and input (which included 51 public meetings for a 37-member task force leading the drafting of the General Plan and approximately 5,000 community stakeholder comments over a four-year period) in order to achieve a balance between the need for housing

and the creation of jobs in San José for San José residents and to achieve fiscal sustainability. Efforts to alter that balance should be subject to extensive community outreach and environmental review.

- (j) The purpose of this Act is to support existing City policies that limit urban sprawl and to ensure that any future conversion of Threatened Employment Lands to non-employment uses meet specified criteria. These criteria are designed to prevent reduction in City General Fund revenues, City services, and quality of life while assuring that any such conversion provides a substantial public purpose and benefit, including the construction of significant numbers of affordable housing units. The City would be required to consider the requirements of this Act when it evaluates applications from developers or other proposals to convert specified lands that are currently designated and/or zoned for employment purposes to residential or other uses.
- (k) The purpose of this Act is also to enhance the ability of the City Council, in considering future land use changes, to determine and designate appropriate uses of land in a manner that encourages more informed public input and involvement while preserving areas of the City for appropriate future growth, discouraging urban sprawl, creating a balance among various types and forms of development, advancing overall community health, and promoting a fiscally strong City.

## **SECTION 1902. Definitions.**

For purposes of this Act, the following definitions shall apply:

- (a) “Threatened Employment Lands” shall mean all Qualifying Parcels that are designated in the San José General Plan, as it existed on March 8, 2018, as any of the following: Combined Industrial/Commercial, Commercial Downtown, Heavy Industrial, Industrial Park, Light Industrial, Mixed Use Commercial, Neighborhood/Community Commercial, Regional Commercial, Transit Employment Center, Urban Village, and Urban Village Commercial. Notwithstanding the foregoing, this Act shall not apply to the conversion of Threatened Employment Lands to a designation of San José General Plan Public/Quasi Public or Agriculture, or to proposed conversions of Threatened Employment Lands for public parks, public trails, public open space, or other public uses.
- (b) “Qualifying Parcel” shall mean any parcel or contiguous parcels in common ownership or control that individually or collectively are both:
  - (1) five acres or greater in size; and
  - (2) partially or wholly located within one mile inside of the City of San José Urban Growth Boundary in any of the following five Planning Areas: Evergreen, Coyote, San Felipe, Almaden, and Calero, as those

areas are depicted on the October 2012 map entitled “San Jose Planning Areas.” The San Jose Planning Areas Map is attached hereto as Exhibit 1 and incorporated by this reference into the Act. This map shall be maintained as part of the City Charter.

**SECTION 1903. City Policy to Support Urban Growth Boundary by Limiting Conversion of Threatened Employment Lands Supersedes All Conflicting Provisions.**

Since 1996, the City of San José has had an Urban Growth Boundary (UGB) that discourages urban sprawl and establishes the ultimate limit on urbanization within the City. It is also the policy of the City of San José that employment lands be protected from conversion to non-employment uses. In furtherance of these policies, and because sensitive employment lands in certain areas adjacent to the UGB are also threatened by sprawl, land use designations for Threatened Employment Lands and the allowable uses for those lands in the San José General Plan, any master plan or specific plan, any development policy, any Municipal Code provision, any zoning ordinance, or Urban Village Plan shall not be changed in a manner that allows non-employment uses unless all of the requirements set forth in Section 1904 are satisfied.

The provisions of this Act shall prevail over all other conflicting or inconsistent provisions in the City’s Charter, ordinances, resolutions, or other enactments, including initiative enactments, existing as of the effective date of this Act. Any ordinance, resolution, or other enactment adopted on or after the effective date of this Act that purports to allow non-employment uses on Threatened Employment Lands in a manner that does not comply with the provisions of this Act shall be of no force or effect.

Any initiative measure adopted at the June 5, 2018 primary election that purports to impose, create, or apply a non-employment use designation or an overlay designation on Threatened Employment Lands to allow residential development on those lands shall be void in its entirety, notwithstanding any contrary provision of that initiative measure.

**SECTION 1904. Requirements for Conversion of Threatened Employment Lands to Non-Employment Uses.**

Before any proposed General Plan amendment, master plan, specific plan, development policy, urban village plan, amendment to the Municipal Code or zoning ordinance, or any other legislative enactment that would allow non-employment uses on Threatened Employment Lands (“proposed legislative change”) is considered for approval by the City, the City shall comply with all of the following requirements:

- (a) The City, at the applicant’s cost, shall prepare a Fiscal and Jobs/Housing Balance Impact Study (“Impact Study”) addressing the potential impacts specified in paragraphs (1) through (3) of this subsection (a), as well as any other fiscal, employment, or jobs/housing balance impacts that may result from non-employment development allowed by the proposed legislative

change. The Impact Study shall be made available for public review. The City Council shall consider the Impact Study at a duly noticed public hearing.

Upon consideration of the Impact Study, the City Council shall determine whether approval of the proposed legislative change, as compared to buildout of the employment development that otherwise could occur on the site proposed for development pursuant to applicable underlying land use designations, could result in any of the following impacts:

- (1) An annual net loss of revenue to the City in any fiscal year;
- (2) A reduced annual economic benefit in any fiscal year, considering the direct, indirect, and induced effects of employment, labor income, and economic output, during either construction or operation of the development; or
- (3) Any measureable reduction in the City's Jobs/Employed Resident ratio in any fiscal year or any reduction in long-term employment.

If the City Council determines that the proposed legislative change could result in any of the impacts described in paragraphs (1) through (3) of this subsection, the City Council shall not approve the application for the proposed legislative change unless it determines that the benefits to the City of the proposal outweigh the specified impacts. The City Council shall retain the power to deny, approve, modify, or approve with conditions the proposed legislative change.

- (b) The City shall require any residential development on Threatened Employment Lands allowed by the proposed legislative change to comply with all applicable inclusionary housing requirements, except that notwithstanding any contrary provisions in those requirements, the minimum number of affordable housing units in the residential development shall be as follows and construction of the units shall be concurrent and proportional to the construction of market rate units in the development:

- (1) For-sale residential development: fifty percent (50%) of the total dwelling units in the residential development shall be made available for purchase at an affordable housing cost to those households earning no more than one hundred ten percent (110%) of the area median income. Such units may be sold to households earning no more than one hundred twenty percent (120%) of the area median income.
- (2) Rental residential development: thirty-five percent (35%) of the total dwelling units in the residential development shall be made available for rent at an affordable housing cost to moderate income households, and twenty percent (20%) of the total dwelling units in the residential development shall be made available for rent at an affordable housing cost to very low income households.

- (c) Notwithstanding any provision of the proposed legislative change that purports to limit or could be interpreted as limiting the City’s duty or ability to comply with the California Environmental Quality Act, Public Resources Code section 21000, et seq. (“CEQA”), the City shall require compliance with CEQA to the fullest extent permitted by law. Specifically, but not by way of limitation of the foregoing, the City shall retain discretion whether to certify or approve CEQA documents related to any application and to approve, deny, or impose conditions on any proposed development as necessary to avoid, minimize, reduce, rectify, or eliminate any significant environmental impacts of the development, including, without limitation, the payment of appropriate fees for road improvements to address traffic impacts.
- (d) The City shall require that any residential development on Threatened Employment Lands allowed by the proposed legislative change to comply with the City Municipal Code and all laws relating to design and construction including but not limited to building energy efficiency standards, including all applicable Zero Net Energy requirements.
- (e) The City shall require that all landscaping in any non-employment development allowed by the proposed legislative change shall be maintained using recycled/reclaimed water where the site is in an area served by recycled/reclaimed water for those uses.
- (f) To the maximum extent feasible, and subject to all applicable federal and state laws, the City shall require that any residential development on Threatened Employment Lands allowed by the proposed legislative change includes provision of support services, at no cost to the City, as appropriate to serve the intended resident population. Support services may include, but are not necessarily limited to, the following: (1) assisted living; (2) memory care; (3) nursing care; (4) shuttle service to and from transit centers, medical providers, or social service providers; (5) meal delivery; (6) physical therapy; and (7) primary medical care.

**SECTION 1905. Implementing Legislation.**
