Application of tables – The above table is based on an assumed average permit issuance process time per category and an hourly rate of \$160. Service hours equivalent to the base hours will be allotted. If additional categories are identified that are not listed above, the same fee methodology will be applied. While this table is intended to calculate fees for various project types, if the scope of work necessary for a particular project is significantly more or less than the fee calculated herein provides, the Building Official may adjust the fee assessment to better reflect the scope of service.
