

# 6<sup>th</sup> Annual Water Conservation Showcase

**Tuesday, March 24, 2009**

**10:00 am – 7:30 pm**

**Pacific Energy Center, 851 Howard Street, San Francisco**

The 6<sup>th</sup> Annual Water Conservation Showcase is being organized through the combined efforts of the Northern California Chapter of the U.S. Green Building Council, East Bay Municipal Utility District, and The Pacific Energy Center. The Showcase will have presentations on recent water efficiency research, new water policies, technological developments, non-profit activities, and case studies. The Showcase will also have exhibitors featuring the latest cutting edge products, systems, and services available to help Californians conserve and wisely manage water use.

To learn more about the water showcase exhibitors and presentations go to the Water Conservation Showcase page: [www.pge.com/pec/water](http://www.pge.com/pec/water)

The Water Conservation Showcase is a free event. We will not be pre-registering attendees for the Water Showcase this year. You can expedite your entry to the event by arriving with your business card in hand.

## Water Showcase Presentations
