

NOTICE
PUBLIC SCOPING MEETINGS
for the
Envision San José 2040 General Plan Update
Environmental Impact Report

The Department of Planning, Building and Code Enforcement of the City of San José will hold two Public Scoping Meetings for an Environmental Impact Report (EIR) to describe the proposed project and the environmental review process and to obtain your input on the EIR analysis for the proposal. This EIR Public Scoping Meetings will be held in compliance with the California Environmental Quality Act (CEQA), as amended.

EIR Public Scoping Meeting 1

When: Wednesday, August 12, 2009 at 2:30 p.m.
Where: City Hall, 200 E. Santa Clara Street, Tower Room 332

EIR Public Scoping Meeting 2

When: Wednesday, August 19, 2009 at 6:30 p.m.
Where: City Hall, 200 E. Santa Clara Street, City Council Chambers

The same information and opportunity to comment will be provided at each meeting. You are welcome to attend and give us your input on the scope of the EIR so that it addresses all relevant environmental issues.

The project for which the EIR is being prepared is the Envision San José 2040 General Plan, which is a comprehensive update of the City's current General Plan, *Focus on the Future San José 2020 General Plan*, adopted by City Council in 1994. The City's General Plan is a long-term plan that describes the amount, type and phasing of development needed to achieve the City's social, economic, and environmental goals. The General Plan is the policy framework for decision making on both private development projects and City capital expenditures.

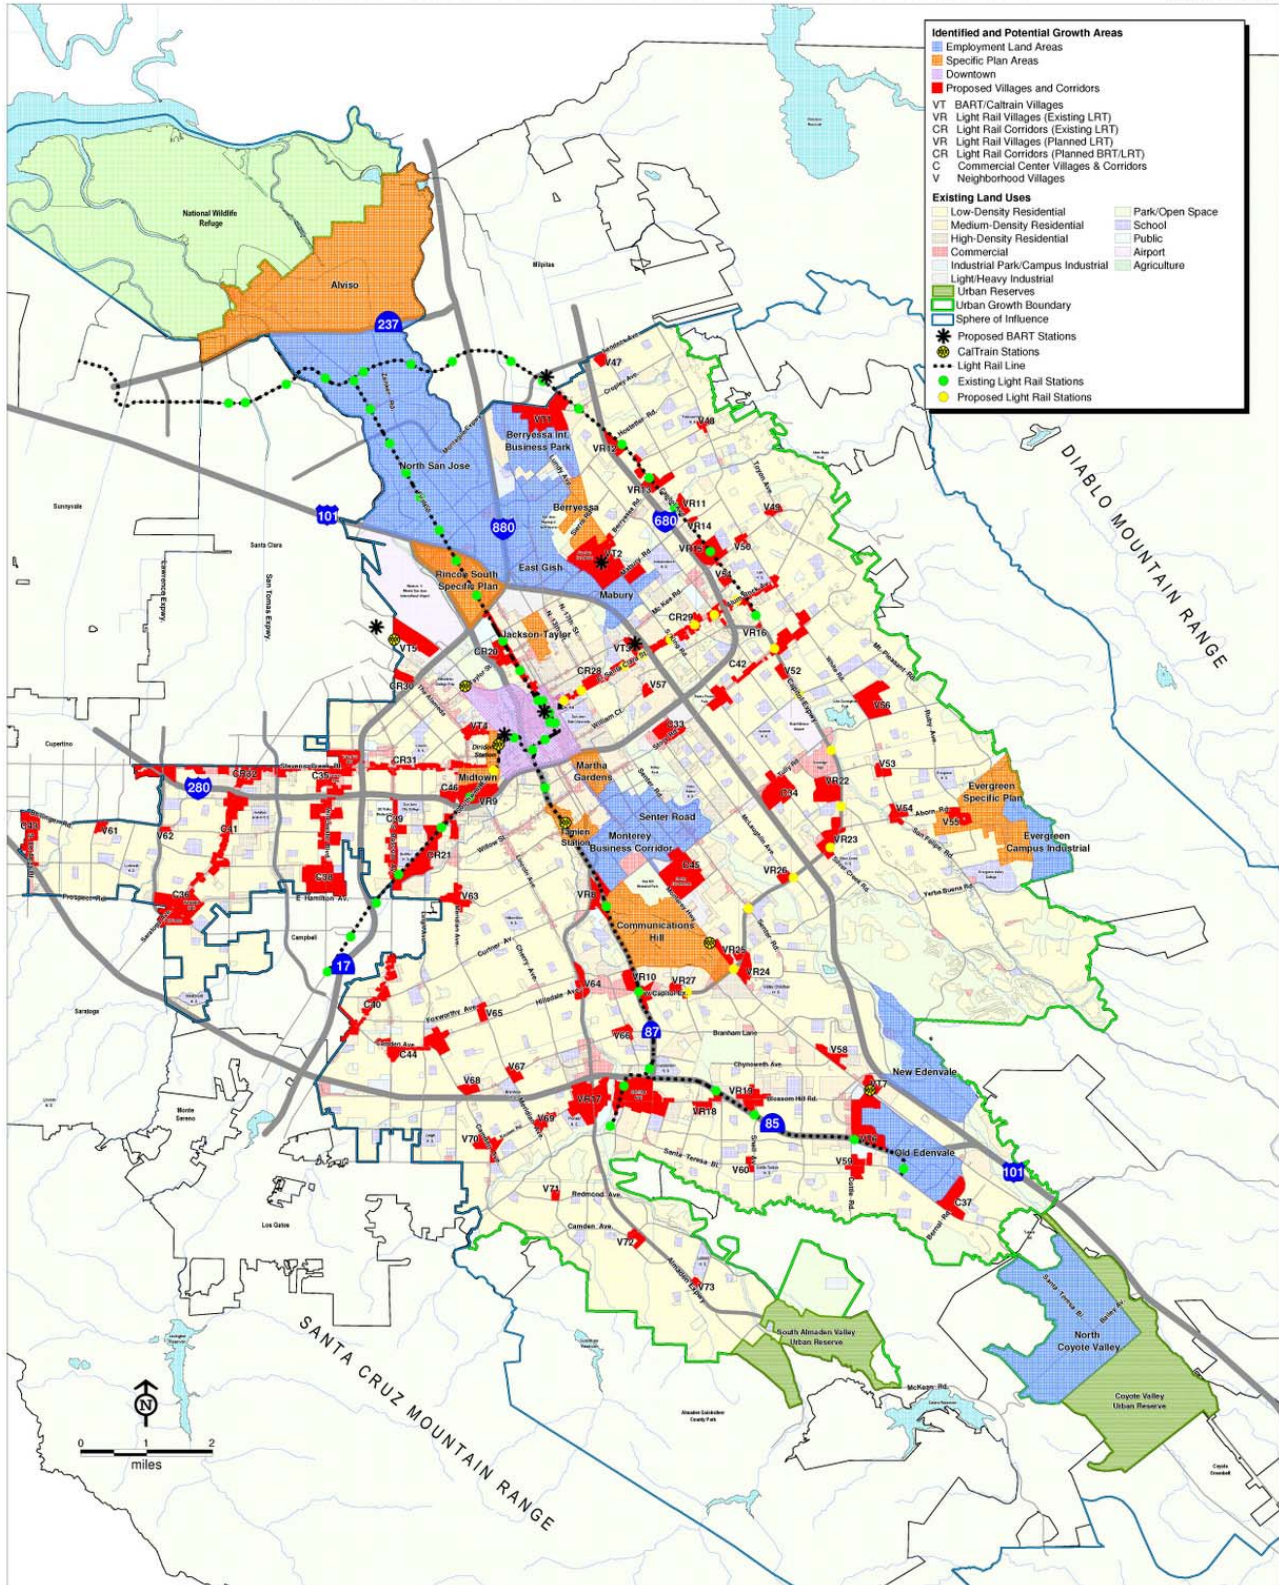

Information related to the General Plan Update process is available on the web at:
http://www.sanjoseca.gov/planning/gp_update

The Notice of Preparation is available for review online at the City of San José's website:
<http://www.sanjoseca.gov/planning/eir/eir.asp>. Comments and questions regarding the EIR should be referred to John Baty of the Department of Planning, Building and Code Enforcement at: (408) 535-7894 or john.baty@sanjoseca.gov.

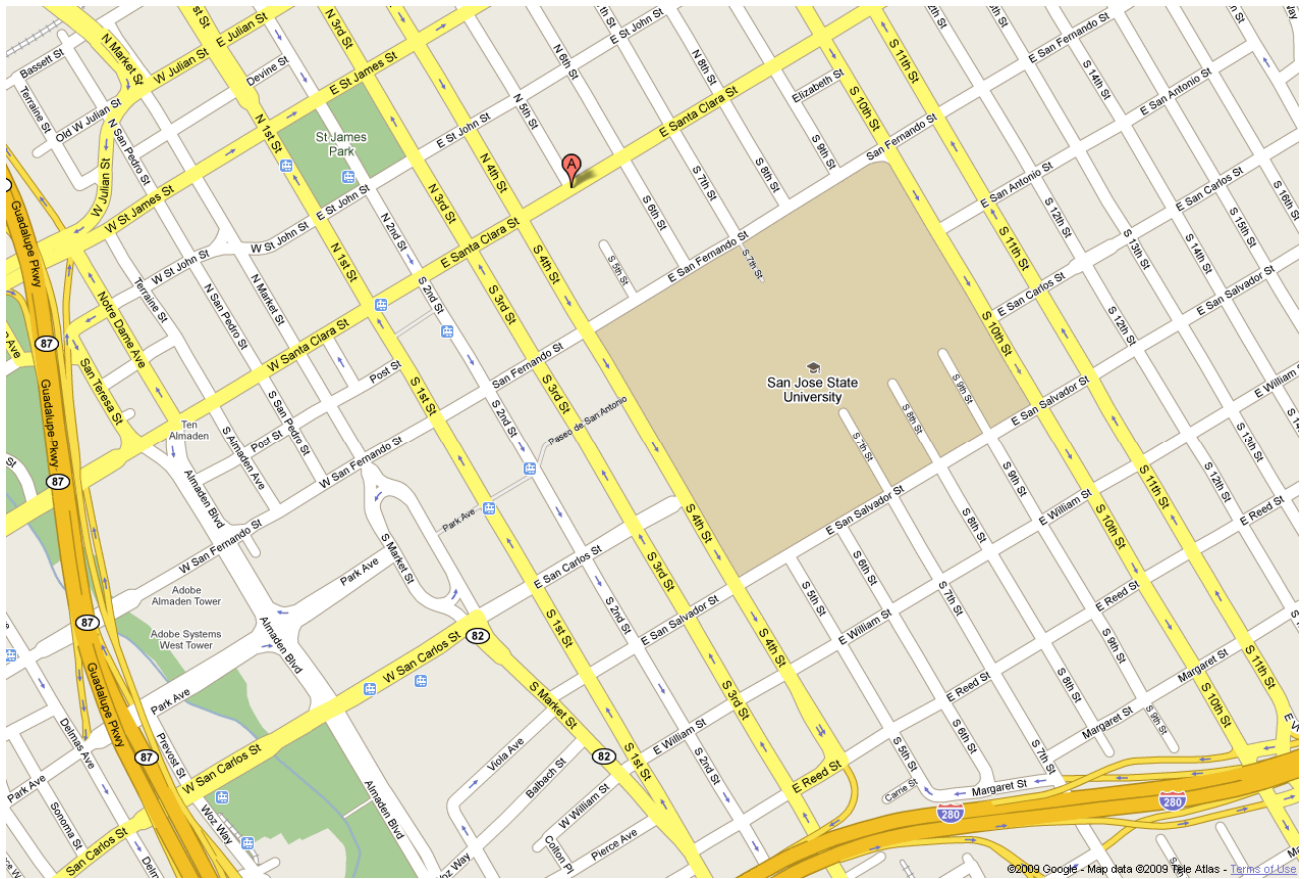

Joseph Horwedel, Director
Planning, Building & Code Enforcement
