

# **PLANNING APPLICATION FILING FEE SCHEDULE Effective August 17, 2009**

Applicability of fees charged in this document shall be determined conclusively by the Director of Planning, Building and Code Enforcement. The Director is not authorized to waive fees.

This fee schedule has been divided into five sections:

1. Planning Development Applications
2. Department of Transportation Fees
3. Public Works, Planning Review Fees
4. Fire Department, Planning Review Fees
5. Building Division, Planning Review Fees
6. Public Information Services

## **PLANNING FEE PAYMENT AND REFUND POLICIES**

**FEES ARE SET ANNUALLY BY A CITY COUNCIL RESOLUTION, AND CANNOT BE WAIVED OR SUSPENDED WITHOUT AN ACTION BY THE FULL COUNCIL.**

**ANY QUESTIONS CONCERNING THE APPLICABILITY OF FEES SHALL BE CONCLUSIVELY DETERMINED BY THE DIRECTOR OF PLANNING, BUILDING AND CODE ENFORCEMENT.**

### **PARTIAL PAYMENT**

Full payment of fees is required for a complete application. Because some fees, such as the Public Noticing Fee, are not calculated until the application appointment, customers who bring in pre-written checks are encouraged to also bring a credit card or an additional blank check to ensure payment of the correct fee amount.

Department policy requires full payment of fees at the time of application submittal. For the convenience of customers who arrive with pre-written checks that do not cover the complete cost of the application, staff will accept the application subject to the following conditions:

- No work will begin on staff review of the application until all fees are paid in full.
- If full payment of fees is not received within 14 calendar days of application submittal, the application will be considered void and staff will initiate a refund of all funds received minus the record retention fee. At this point, a new application and full payment of fees will be required to proceed with a project.

### **FEE REFUNDS**

An applicant who requests, in writing, that their application be withdrawn, may request a refund of fees paid, subject to the following conditions:

- A written claim for refund must be received by the Department within 30 days of the request for withdrawal of the development application.\*
- The original receipt must accompany the written refund claim at [http://www.sanjoseca.gov/planning/applications/dev\\_withdraw.pdf](http://www.sanjoseca.gov/planning/applications/dev_withdraw.pdf)
- Refunds are paid to the party named on the payment receipt.
- The amount of the refund will be determined by the percentage of work already completed.
- No refunds will be issued for applications deemed inactive for more than 6 months.
- Record Retention fees are included in each individual fee cost and that portion is not refundable.

\*General Plan amendment applications have specific deadlines for withdrawal requests. Fees will be not refunded if requests for withdrawal of proposed amendments are received after these dates.

Please see "Instructions for Filing a General Plan Amendment" at [http://www.sanjoseca.gov/planning/pdf/GP\\_app.pdf](http://www.sanjoseca.gov/planning/pdf/GP_app.pdf) for these deadlines.

### **NOTE:**

If staff error causes the inappropriate or unnecessary filing of an application and payment of fees, 100% of all filing fees, including Record Retention fees, shall be refunded upon request and with the concurrence of Department management.
