Campers ages 9-11 will focus on what it takes to work at a zoo and more about animal conservation while campers ages 11-13 will explore the science of zoo careers. Camps are planned so campers may stay all day with a supervised lunch at no additional cost. Campers should bring their own snacks, lunch (if staying all day) and water bottle. Each camper receives one themed camp T-shirt per camp session. Children attend all camps independently without parents/guardians and should be comfortable in a group setting.
