ALL ABOUT PEPPERS

All about peppers If you are a pepper lover, do not miss this new class taught by the Master Gardener the “Pepper King”. This class will teach how to cultivate and grow peppers for abundant harvests at home. Jim will also teach about different varieties that grow well in the Bay Area, as well as some history of the peppers.

LIL’ CHEFS

Is your child interested in learning fun things to make at home? This is a great class for children with all levels of experience. Fun and easy dishes will be emphasized, as well as a basic understanding of kitchen rules and techniques. The children will get to take their tasty treats home after some classes. Come on over and join the fun! No additional fees will be collected.

ANIMAL ADVENTURES

Do goats really have four stomachs? Do roosters only crow in the morning? Are pigs really the cleanest animals on the farm? If you have ever found yourself pondering these questions, Animal Adventures is the perfect class for you. This class will teach students about the park’s farm animals through games, stories, and hands-on interactions with the animals. Don’t miss this thrilling opportunity to get up close and personal with Emma’s animals.

ANTIQUES: THE INCURABLE COLLECTOR IN ALL OF US

If you are the type of person who enjoys going to a garage sale, antiques show or estate liquidation, this class is for you. Over the 6 week period, the basics of collecting will be covered. Specific discussions include topics, such as; silver, ceramics, glass, paper and furniture styles. Bring a notebook. And for collectors and antiques lovers who have been through workshops that have covered these topics, look at this as a time to review and expand your knowledge. And if you know your teacher, you know he never says anything the same way twice.

BACKYARD HABITATS

It doesn’t take much to attract abundant wildlife into your back yard. This class will help you design a garden that will encourage wildlife to visit your backyard. Participants will learn which plants will attract birds, bees, butterflies and hummingbirds and what the basic needs of wildlife are. This lecture and demonstration class will be taught by Master Gardener Sharon McCray.

CAKE DECORATING

Discover the art behind cake decorating! Participants will learn the basics of preparing a cake and decorating it to create a masterpiece of edible art!

DOG OBEDIENCE

Students learn to train their dogs to heel, sit, stay, down stay, stand for examination, recall and socialize. Owners learn to problem solve and care for their dogs. Dogs must be at least 4 months old and be current with their first two sets of shots (includes rabies, bordatella, parvo) and come to class with a leash on. Be sure to bring your furry friend to the first class.
