

FAMILY CAMP

YOUR MOUNTAIN PLAYGROUND

There are over 60 wood frame and canvas covered tent-cabins scattered among the pines and oaks through-out camp. Each cabin contains cots with mattresses (no bedding), benches, a table and bookshelf and can comfortably sleep up to six campers. All cabins have decks for outdoor relaxing. Electrical outlets are available at an extra cost in some cabins.

Fully equipped restrooms are just a short walk from any cabin. All restrooms have hot showers, toilets, wash basins and changing areas for infants. There are electrical outlets in all restrooms.

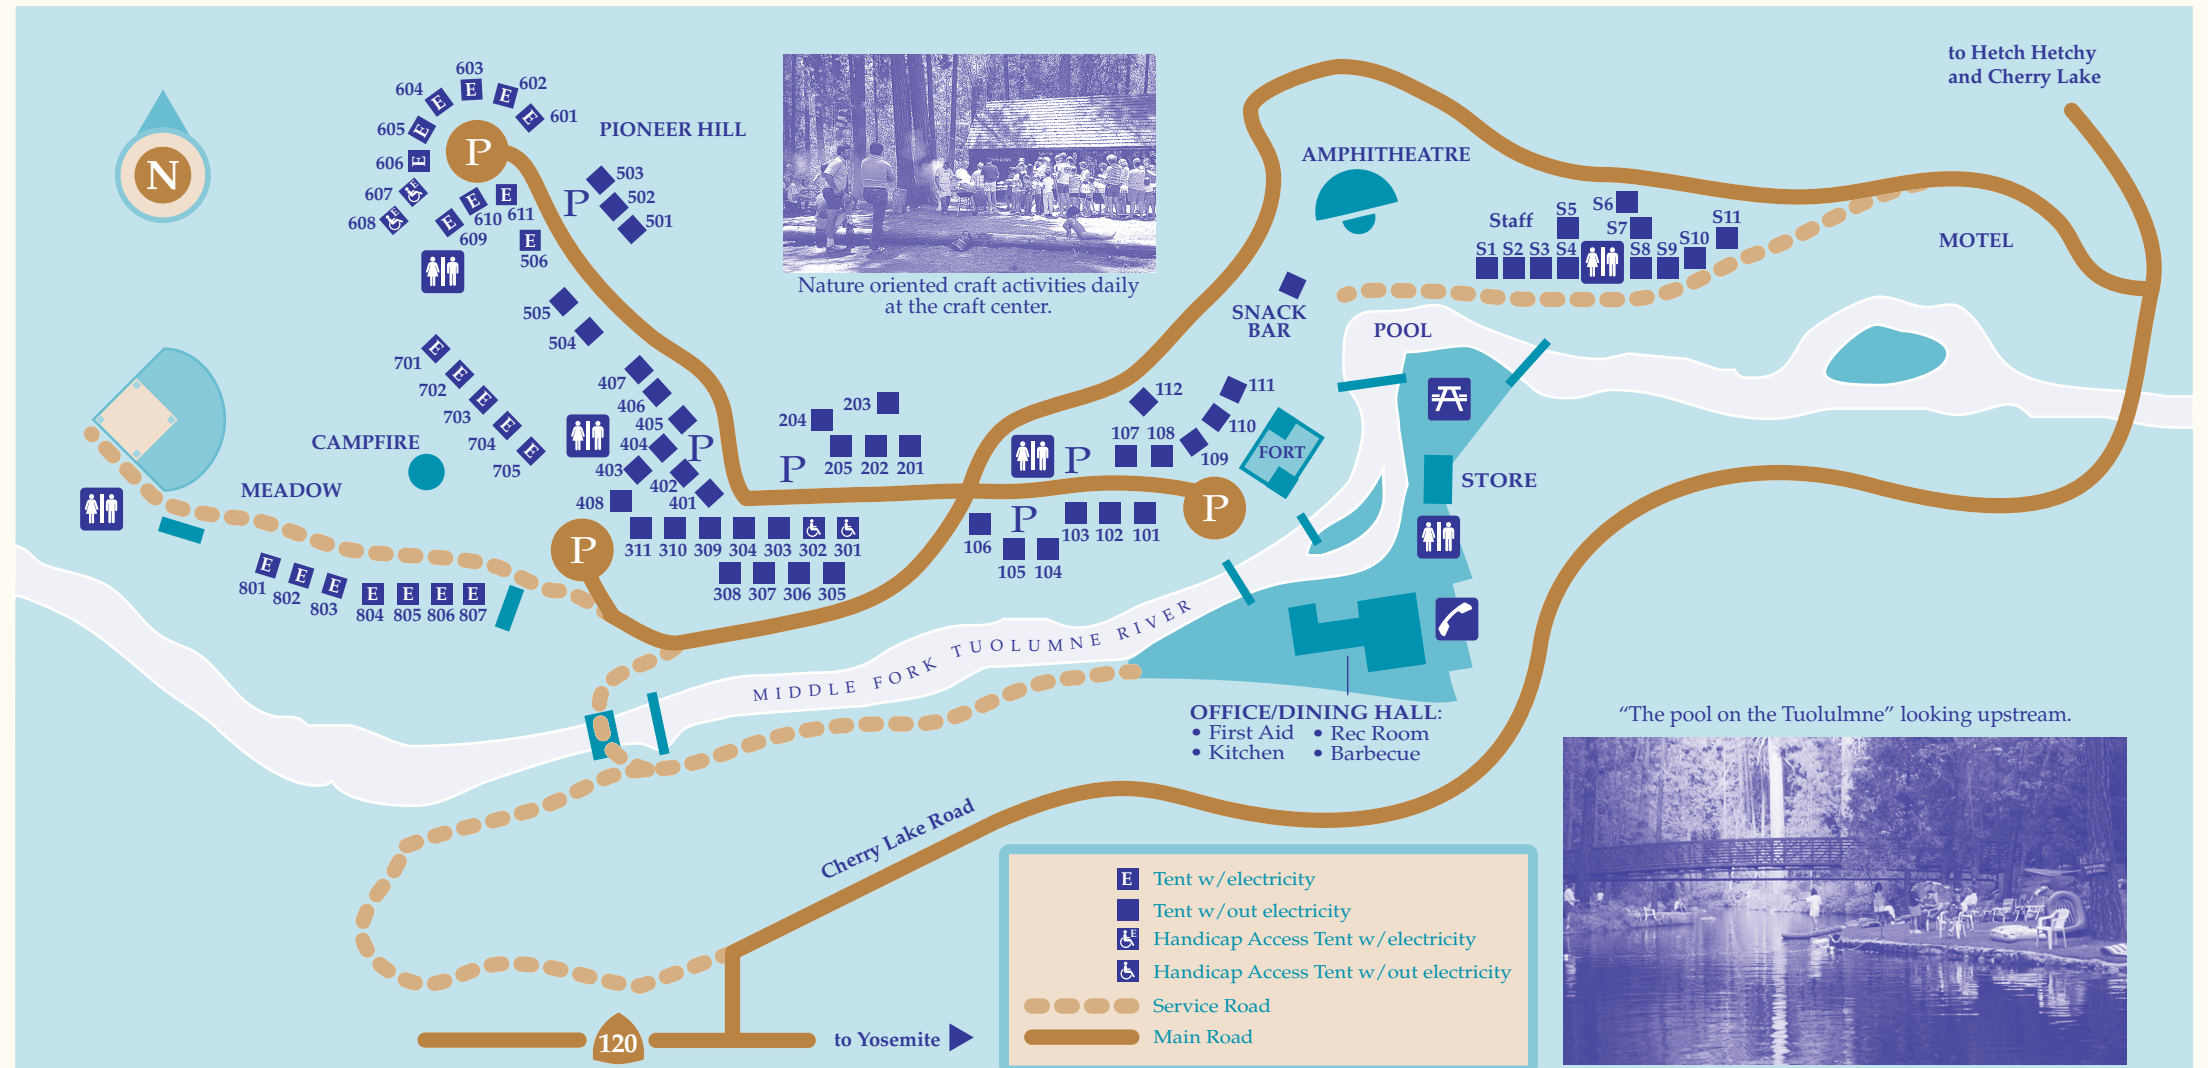

The Dining Hall complex is the heart of camp. Here you will find the dining room, kitchen, store, recreation room, camp office and the medical aid station. A broad, shaded patio overlooking the Tuolumne River provides the perfect spot for reading, socializing or napping. The Dining Hall deck is the setting for many of the summer's social activities.

Upstream from the Dining Hall a small dam creates a swimming area in the river. Lifeguards are on duty during all scheduled swimming hours, and there is a roped-off shallow area for small children and beginning swimmers. For sun lovers there are beach and lawn areas for recreation or lounging.

Across the river from the Dining Hall complex is Miners Island and Fort Tuolumne. Both are favorites with the younger campers. Miners Island is an island where young campers can play. At the Fort Tuolumne playground (not a licensed daycare) you'll find supervised child-care and special activities for the young campers.

In other areas of the camp you will find a volleyball court, baseball diamond, basketball court, fish cleaning station, amphitheatre and, of course, the river. The river provides shaded beaches, cool dark trout pools, exciting raft rides and the relaxing sound of its water tumbling over rocks as it flows through camp.

Nature oriented craft activities daily at the craft center.
