TiVo Santa Run Silicon Valley 2016 Sunday, December 18, 1:00 PM – 5:00 PM

On Sunday, December 18th at 2pm, the TiVo “Santa Run Silicon Valley” will take place in your neighborhood. Founded and produced by the Silicon Valley Leadership Group Foundation, this 5K run/walk is working towards keeping the holidays alive in Downtown San Jose by raising money for Christmas in the Park and Downtown Ice, while also collecting books for Reading Partners. Runners will return on The Alameda in the eastbound lanes following the same route towards the starting line. The runners will turn right on Almaden Blvd., then travel east on San Fernando, and make a right turn going south on Market Street. The race ends on Market Street at Park Ave.
