**Downtown West Mixed-Use Plan Proposal**
ABOUT THE PLANNING COMMISSION

The Planning Commission is a seven-member body, appointed by the City Council, which performs two types of actions:

- One type is “Quasi-Legislative” in nature in which the Planning Commission makes recommendations to the City Council regarding the adoption, amendment, or repeal of general or specific plans, Zoning Code provisions, or regulations related to the land use development, redevelopment, rehabilitation or renewal of the City, including its Capital Improvement Programs.

- The second type of action is “Quasi-Judicial” in nature in which the Planning Commission applies previously adopted legislation to particular applications and acts as a decision-making or appellate body. Examples of these types of actions include Commission decisions on Conditional Use Permits, appeals of the Planning Director’s decisions on certain land use permits, and the certification of Environmental Impact Reports.

A notation of “Administrative Hearing” for an agenda item indicates that the item is a Quasi-Judicial action of the Commission in order to assist the public in understanding the role of the Planning Commission on a particular item.

To effectively manage the Planning Commission Agenda, and to be sensitive to concerns regarding the length of public hearing, the Planning Commission may determine to proceed with remaining agendized items past 11:00 p.m., or to continue this hearing to a later date, or to defer remaining items to the next regularly scheduled Planning Commission meeting date. The decision on how to proceed will be heard by the Planning Commission no later than 11:00 p.m.
