RECOMMENDATION

Approve the Auditor’s Office Monthly Report of Activities for the months of June and July 2020.

SUMMARY OF RESULTS

Charter Section 8.05(e) requires the City Auditor to submit a monthly report to the City Council of our activities, findings, and recommendations. This report summarizes reports issued, other activities, assignments in process, and the status of the City Auditor’s Fiscal Year (FY) 2019-20 Work Plan during the months of June and July 2020.

Information on the status of the City Auditor’s FY 2019-20 Work Plan is attached. Overall, the Office completed 14 of the 27 items on our FY 2019-20 work plan. Four other items were substantially complete and will be released in August or September of 2020. Our proposed FY 2020-21 (also on today’s agenda) includes the carryover items. Additionally, staff within the Office have supported the City’s Emergency Operations Center activities through ongoing audit work and as disaster service workers, including support for the logistics, nonprofit local assistance, and situational status teams. On behalf of the Auditor’s Office, I would like to express my appreciation to City staff for their cooperation and assistance during our reviews.
