The City has performed an environmental review of the project. The environmental review examines the nature and extent of any adverse effects on the environment that could occur if the project is approved and implemented. Based on the review, the City has prepared a Draft Mitigated Negative Declaration (MND) for this project. An MND is a statement by the City that the project will not have a significant effect on the environment because the project will include mitigation measures that will reduce identified project impacts to a less than significant level. The project site is present on any list pursuant to Section 65962.5 of the California Government Code.

The public is welcome to review and comment on the Draft MND. The public comment period for this Draft MND begins on Monday October 5, 2020 and ends on Monday October 26, 2020. The Draft MND, Initial Study, and reference documents are available online at: www.sanjoseca.gov/negativedeclarations
