PURPOSE

The purpose of this policy is to permit City Departments and employees to use “City Maintained Web-Based Communications”, as described below, to further the business of the City.

“Web-Based Communications” include, but are not limited to, web-culture communities and hosted services, such as social-networking sites, photo and video sharing sites, wikis, blogs and folksonomies, the semantic web and artificial intelligence. The City’s use of Web-Based Communications may enhance civic engagement, including, but not limited to, permitting members of the public to comment on City Maintained Web-Based Communications, as defined below. Use of City Maintained Web-Based Communications is for limited topics related to official City business only, and is not intended to create a public forum. Comments by members of the public on City Maintained Web-Based Communications must directly relate to the subject matter of the particular City Maintained Web-Based Communication or may be removed pursuant to this Policy.

SCOPE

This Policy applies to all City Departments and employees and is applicable to any Web-Based Communication that is used by the City of San Jose, including City intranet and Internet technologies, as well as social networking and other technology sites that are the property of an outside host or company (“City Maintained Web-Based Communications”). Please note the City has a separate Use of Email, Internet Services and Other Electronic Media Policy that is applicable to all City officials and employees.

POLICY

1. Establishment and Maintenance of a City Maintained Web-Based Communication
   a. Each City Maintained Web-Based Communication must be approved by the City Manager’s Office or designee. Requests to establish a City Maintained Web-Based Communication should be made by emailing webrequests@sanjoseca.gov or calling 408-535-8170.
   b. Use of any City Maintained Web-Based Communication must further a specific purpose of the City that is articulated in writing. Forms are available in the Intranet’s Communications and Marketing section.
   c. Adequate resources must be devoted to each City Maintained Web-Based Communication to ensure it is maintained and managed in accordance with this Policy and all other applicable laws and policies.
   d. A Web-Based Communications Moderator must be designated for point of contact with the City Manager’s Office; however, the subject matter of each City Maintained Web-Based Communication will be the sole responsibility of the department producing and using the City Maintained Web-Based Communication. Department directors have primary responsibility to ensure adherence to this Policy.
   e. The Web-Based Communications Moderator, and any other employee responsible for managing the City Maintained Web-Based Communication, must be familiar with...

the requirements of this Policy and will be responsible for reviewing subject matter, including the linked subject matter of embedded hyperlinks, on the particular City Maintained Web-Based Communication for consistency with this Policy and any administrative guidelines promulgated by the City Manager.

f. Each City Maintained Web-Based Communication must include an introductory statement which clearly specifies its purpose and subject matter.

g. Each City Maintained Web-Based Communication must clearly indicate that it is maintained by the City of San Jose and must have City of San Jose contact information prominently displayed.

h. To the extent possible, each City Maintained Web-Based Communication must include the following notice in a prominent place: “The views of the individuals posting comments do not necessarily represent the views of the City of San José.”

i. To the extent possible, each City Maintained Web-Based Communication with embedded hyperlinks to external sites must include “jump pages” informing viewers that they are leaving the City’s official Web site. Each City Maintained Web-Based Communication must include the following disclaimer in a prominent place: “The City of San Jose does not guarantee the authenticity, accuracy, appropriateness or security of the link, web site or subject matter linked thereto.”

j. All subject matter and comments posted on a City Maintained Web-Based Communication must be reviewed and evaluated periodically by the Web-Based Communications Moderator or his or her designee.

2. All City Maintained Web-Based Communications must adhere to the following City policies, statements and guidelines:

a. Use of Email, Internet Services and Other Electronic Media Policy [City Administrative Policy No. 1.7.1.]

b. E-Government Policy [City Administrative Policy No. 1.7.5.]
