Envision
San José 2040
Building a City of Great Places
The General Plan is the City’s official policy statement regarding its future character, land use patterns, and quality of development.

The Blueprint for the City
General Plan Purpose

- A Vision for the City’s future
- Major Strategies
- Standards for City Services
- Land Use / Transportation Plan
- Process initiated in August 2007
- 35 member Task Force
- Approved by Council November 1, 2011
- Builds upon previous General Plans
- But is a new General Plan!
Key Vision Concepts

**Innovative Economy**
San Jose’s economy thrives on innovation, providing job opportunities for all and ample fiscal resources for a vibrant community.

**Environmental Leadership**
San Jose is a model of an environmentally sustainable and healthy city, a leader in green technology, and a vigilant steward of its resources for present and future generations.

**Diversity and Social Equity**
San Jose celebrates, embraces, and involves a diverse blend of cultures and achieves social, cultural, and economic equity.

**Healthy Neighborhoods**
San Jose’s neighborhoods are attractive, affordable, and safe places to live with engaged community members.

**Quality Education and Services**
San Jose residents and businesses receive a broad range of high-quality services and enjoy excellent educational opportunities for all.

**San Jose embodies the energy and vitality of its unique human, natural, and economic resources.**

**Vibrant Arts and Culture**
Arts and culture in San Jose connect people, provide rich opportunities for participation, and foster creativity.

**Interconnected City**
The activities of daily life are in close proximity and easily accessible by walking, bicycling, and public transit.
Major Strategies

1. Community Based Planning
2. Form Based Plan
3. Focused Growth
4. Innovation / Regional Employment Center
5. Urban Villages
6. Streets for People
7. Measurable Sustainability / Environmental Stewardship
8. Fiscally Strong City
9. Destination Downtown
10. Life Amidst Abundant Natural Resources
11. Design for a Healthful Community
12. Plan Horizons and Periodic Major Review
Community Based Planning

- 50+ Task Force Meetings
- 150+ Outreach Events
- 5,000+ Community Participants
- Award Winning Program
Form Based Plan

- Articulates a vision for City’s future Urban Form
- Greater flexibility for economic activity
- Addresses compatibility of new development
- Promotes cohesive and complete neighborhoods
Focused Growth

Strategically focus new growth:

- Direct growth within identified Growth Areas
- Preserve quality of established neighborhoods
- Reduce environmental and fiscal impacts
Innovation/Regional Employment Center

- Plan for 470,000 New Jobs
- Achieve a Jobs to Employed Resident Ratio of 1.3 to 1
- Build Urban Job Centers focused around Regional Transit
Innovation/Regional Employment Center

- Intensify existing employment lands
- Create transit-oriented urban employment centers
- Enhance and expand commercial activity
Urban Villages

Plan for 120,000 New Residences
Meet the Needs of Our Population
Build Attractive, Walkable and Vibrant Places
Design streets for:
- Pedestrians
- Bicyclists
- Transit ... and
- Motor Vehicles
Measurable Sustainability

- Continue “Smart Growth” Strategy
- Implement City’s Green Vision (Goal #7)
- Measure and Report Plan Performance
A Fiscally Sustainable City

- Deliver Services Efficiently
- Cultivate Financial Resources
- Preserve Employment Lands
Destination Downtown

- Build upon the great transit access.
- Plan for significant employment and housing growth.
- Strengthen identity as cultural and social center.
Life Amidst Abundant Natural Resources

- Build World-Class Trail Network
- Strengthen the City’s Greenbelt
- Add Parks and Other Amenities
Design for a Healthful Community

- Provide Access to Healthy Foods
- Protect a Healthy Environment
- Encourage an Active Lifestyle
To carefully manage San José’s expected housing growth, residential development is planned to occur in phases, referred to as Horizons, in designated Growth Areas.

<tr>
<td>Horizon 3 Residential Growth Areas</td>
<td>• Planned Light Rail Stations and Corridors, Commercial Centers, and Neighborhood Urban Villages</td>
</tr>
</tbody>
</table>
Plan Horizons and Periodic Major Review

4-Year Review of the General Plan

- Reconvene Task Force
- GP progress assessed in 4-Year Review
  - Planned growth and J/ER ratio
  - Urban Village policies
  - Environmental indicators (GHG)
  - Affordable housing
- Determine readiness to move to next Growth Horizon
- Consider “mid-course adjustments” to implement the General Plan
