**WHEREAS** this Ordinance has been found to be not a project subject to the California Environmental Quality Act of 1970, as amended.

**NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF SAN JOSE:**

**SECTION 1.** Section 20.100.500 of Chapter 20.100 of Title 20 of the San José Municipal Code is hereby amended to read in its entirety as follows:

**20.100.500 Adjustments**

- A. The Director may, at the Director's sole discretion, approve an adjustment for the following:
1. An extension of the term of an approved Development Permit for a period of up to but not exceeding one (1) year; provided, however, that no more than two (2) such term extensions may be approved.
  2. Changes to an approved Development Permit but only for minor modification of architectural elements or landscape details, (including but not limited to minor storefront alterations, relocation of doors, equipment screening, minor landscape furniture and structures, benches, small trellises, and planters) which do not affect the use, intensity, general character, architectural style, circulation or other site function of the project.
  3. Signs which conform to Title 23, minor changes to approved sign programs, and sign programs that are a condition of a Development Permit.
  4. Additions, accessory buildings and minor structures such as trellises, patio covers, swimming pools and decks for one-family residences which were approved and are subject to an existing Planned Development Permit.

5. Building Mounted Wireless Communications Antenna.

An application for an adjustment must be filed on the form provided by the Director on or before the date that is three (3) business days prior to the expiration of the Development Permit proposed for adjustment and accompanied by the fees as set forth in the Schedule of Fees adopted by resolution of the City Council.
- C. The decision to grant, deny or condition an adjustment is an administrative determination and requires no hearing or notice. The action of the Director shall be final. If the Director denies an adjustment, nothing herein shall preclude the applicant from thereafter filing an application for a Development Permit.
