- C. The public hearing shall be concluded no later than sixty (60) days from the date that the public hearing is opened by the Commission.
- D. Failure of the Commission to hold the hearing or make a report shall be deemed to be a negative recommendation and shall not deprive the Council of authority to adopt the General Plan or a proposed amendment thereto.

18.08.110 City Council Hearing

- A. After receipt of the report from the Planning Commission or after failure of the Commission to report to the City Council within the period of time as specified by Section 18.08.100, and prior to adopting the General Plan or any amendment thereto, the Council shall hold at least one public hearing.
- B. Notice of the time and place of the hearing shall be published once in a newspaper of general circulation in the City at least ten (10) days before the date set for hearing.
- C. After such hearing, the Council may, by resolution, adopt any amendment to the General Plan as the Council may deem appropriate. Nothing herein shall preclude the Council from modifying or changing any amendment to the General Plan as the Council may deem appropriate.

18.08.120 Withdrawals of General Plan Amendment Applications

- A. An application for an amendment to the General Plan may be withdrawn by the applicant at any time prior to the point in time that notice of the time and place of the public hearing by the City Council on the amendment has been provided for in a newspaper pursuant to the provisions of Section 18.08.110.

- B. After the point in time that notice of the time and place of the public hearing by the City Council on the amendment has been provided for in a newspaper pursuant to the provisions of Section 18.08.110, the application may be withdrawn by the applicant only with the consent of the City Council provided at the public hearing.

20.100.170 Amendment or Withdrawal of Applications

- B. Alternatively, if an applicant fails to process his or her application on file with the Director and such inactivity by the applicant on the application continues for a period of at least six (6) consecutive months and additional work would be required by the Director to continue to process the application, the Director shall have the authority to require the applicant to first pay additional fees to continue processing the application in order to account for work that was not paid for under the original application fee or in cases where the application fees paid by the applicant were at a different rate than those fees in effect at the time of reactivation of the application after a period of inactivity by the applicant.
- C. In addition to the ability provided to the Director pursuant to the provisions of this Section to pursue a final decision on any Permit or other approval application on file with the Director, the Director also shall have the authority to deem an application withdrawn without holding any hearing on that application where the period of inactivity on an application on the part of the applicant has transpired for at least twelve (12) consecutive months. The Director shall provide a courtesy notice to the applicant at the last known address of the applicant on record with the Director of the Director's intention to deem an application withdrawn at least thirty (30) days prior to deeming such application withdrawn, and the notice shall specify the date that the application is to be deemed withdrawn.
- D. For purposes of this Section "inactivity" on an application means that the Director has requested from the applicant or has provided the applicant with notice of additional information, materials and/or fees needed by the Director from the applicant to continue to process the application and the applicant has failed to respond to that request or notice.
