Coordinated Assessment System
Matches individuals experiencing homelessness with the appropriate housing program.

Permanent Supportive Housing
Provides long-term rental subsidies and intensive case management for households with disabilities.

Rapid Rehousing System
Provides time-limited subsidies and supportive services to households that can achieve economic self-sufficiency within the program term.

Interim Housing
Provides temporary housing and site-based services, and is effective for certain homeless subpopulations.

Coordinated Assessment System
Matches individuals experiencing homelessness with the appropriate housing program.

Outreach Team
Engages with the unsheltered population, offers services and shelter, and is the primary entry point for the Coordinated Assessment System.

Basic Needs Program
Provides emergency shelter, meals, showers, and other basic needs for the unsheltered population.

Homelessness Prevention Program
Helps households on the brink of homelessness to remain housed.
