PURPOSE

To provide a reasonable amount of break time to employees desiring to express milk for the employee’s infant child and to provide the use of a room or other location to express milk in private.

SCOPE OF APPLICATION

The Lactation Accommodation policy applies to all City officials and employees and is applicable at all City facilities/work sites.

AUTHORITY

California Labor Code, Division 2, Part 3, Chapter 3.8 Lactation Accommodation, Sections 1030-1033.

POLICY

It is the policy of the City of San José to comply with the requirements of California Labor Code, Division 2, Part 3, Chapter 3.8 Lactation Accommodation. These regulations require employers to provide a reasonable amount of break time to accommodate employees desiring to express breast milk for the employee’s infant child each time the employee has need to express milk and provide employees with the use of a room or other location for the employees to express milk in private, including access to a sink and refrigerator in close proximity to the employee’s workspace.

RIGHTS AND RESPONSIBILITIES

Employees have the right to request lactation accommodation, and requests should be made in accordance with the procedures set forth in this policy.

The City is responsible for:

- Providing a reasonable amount of break time to accommodate an employee desiring to express breast milk for the employee’s infant child each time the employee has a need to express milk. The break time shall, if possible, run concurrently with any break time already provided to the employee. Break time for an employee that does not run concurrently with the rest time authorized for the employee shall be unpaid. See Time Off section below for further information.

- Providing the use of a room or other location for the employee to express milk in private which meets the requirements below. The City may designate a lactation location that is temporary due to operational, functional, or space limitations.
  
  - The lactation room or location shall not be a bathroom and shall be in close proximity to the employee’s work area, shielded from view, and free from intrusion while the employee is expressing milk;
  
  - Be safe, clean, and free of hazardous materials;

- Contain a surface to place a breast pump and personal items;
- Contain a place to sit; and
- Have access to electricity or alternative devices, including, but not limited to, extension cords or charging stations, needed to operate an electric or battery-powered breast pump.

- Providing access to a sink with running water and a refrigerator suitable for storing milk in close proximity to the employee’s workspace.
  - If a refrigerator cannot be provided, the City may provide another cooling device suitable for storing milk, such as a City-provided cooler.

Information regarding privacy room access can be found here. A lockable break-room or private office may be used as a privacy room for lactation accommodations, if needed.

If the City cannot provide break time or a location that complies with this policy, the City shall provide a written response to the employee.

The Department is responsible for:

- Providing the following information to any employee that discloses that the employee is pregnant, or any employees that makes an inquiry about or requests parental leave:
  - DFEH Rights and Responsibilities as a Pregnant Employee;
  - FMLA paperwork; and
  - A copy of the Lactation Accommodation policy.

- Coordinating and providing access to privacy rooms at City Hall and other City facilities/work sites.
