**Dear Council Members & Mayor,**

**Reference: Council Agenda 9/22/20 Item 2.2  
Item Commercial Linkage Fees**

**Subject: There Must Be A Mistake In Resolution RES79705  
We Oppose The Commercial Linkage Fees (CLF)**

**In Edenvale and Monterey Corridor you have no fee on any Industrial/Research and Development at all in any size category,.**

**However, in South and East San Jose a much more geographically challenged area ( Evergreen ) you levy a \$3.00 fee on all Industrial R&D development over 100,000 sf. The Feasibility Study specifically exempted South and East San Jose areas from fees and it is a known fact that demand in South and East subareas is significantly lower than the rest of the City. What is motivating staff and council to levy fees when Keyser Marston specifically recommends an exemption for the area?**

**There must be a mistake in Resolution RES79705.**

**Thank you,**

**Myron Crawford**
