## How does it work?

- › After you select a coverage amount and enroll in AD&D insurance from New York Life Group Benefit Solutions, you'll pay for your chosen coverage amount through convenient payroll deductions.
- › Once enrolled, if you or a covered family member are seriously injured or pass away from a covered accident, you or your beneficiaries will receive a set amount.
- › However, this coverage shouldn't be a replacement for life insurance or primary medical insurance as it provides accident-only coverage.
- › Depending on the severity of an injury, the plan may pay a percentage of the total benefit for a covered accident that doesn't lead to loss of life.
