

What to Bring to Family Camp

Be ready for hot days, chilly nights, and everything in between.

Yosemite mountain weather swings fast, so pack layers, sun protection, and warm sleep gear. There's no Wi-Fi and limited cell service, and camp is full of activities to keep everyone busy. Bring books, games, nature journals, and curiosity. The camp store accepts cash and cards for snacks, drinks, and souvenirs. You'll get dusty, you'll get wet, and you'll make memories.
