Proposed Driveway / Sidewalk Information

Is the proposed driveway / sidewalk for a single family detached residence? Yes / No (Circle one)

If 'No', a driveway cannot be constructed using this permit. Please see the instructional sheet for more information.

This application is a request to:
(Check item(s) that apply)

- ☐ Modify the width of an existing driveway
  (i.e. widen or narrow an existing driveway)
- ☐ Move an existing driveway to a new location
  (i.e. relocate driveway to new location and close old driveway)
- ☐ Construct an additional (2nd) driveway
  (i.e. add 2nd driveway on side street for a corner lot house, or create half-circle driveway for midblock lot)
- ☐ Construct a new driveway for this lot
  (i.e. this lot has no existing driveway at this time)
- ☐ Construct new sidewalk where none exists now

Attachments to be included with application

- __ Attach sketch showing location of work. Show property lines, street signs, hydrants, street lights, adjacent driveways, park strip, and street trees.
- __ Attach photograph(s) of frontage showing the items listed above.

The owner should be aware of the City's Front Yard Paving Ordinance, which limits the amount of paving allowed in front yards. **This permit shall not be construed as to allow any violation of any other City Ordinance.**

By signing below, I agree that the information provided is true and correct, and that my project will adhere to all matters of Chapter 13.08 of the San Jose Municipal Code.
