Do you have a Tentative Map? ☐ Yes, my Tentative Map No. is _____
☐ No (If No, see below)

If you do not have a Tentative Map, you must confirm compliance with the General Plan, Zoning Ordinance, and Subdivision Ordinance with the Planning Division prior to submittal of the Parcel Map.

If there are existing structures on the site, you must check with the Planning Division to determine if a Special Use Permit is required to allow the demolition of the structures prior to recordation of the Parcel Map.

Please Note: *A Tentative Map or additional information may be required upon review of the full submittal package.*

I had a preliminary discussion with with _____ of the Planning Counter staff (408-535-3555) that the following **may** apply to the proposed subdivision:

☐ My current General Plan and Zoning designations will allow for this subdivision.

☐ This proposed subdivision does not require a Tentative Map.

☐ **Yes**, there are structures on the site that must be demolished prior to recordation of this Parcel Map. I am aware that a Special Use Permit and/or Building Permit is required prior to the demolition of these structures.

- OR -

☐ **No**, there are no existing structures on the site, or the location of the existing structures will not require the demolition of any existing structures prior to recordation of the Parcel Map.
