Proposal Description, including anticipated outcomes (Please describe how change would affect services for San José residents, businesses, community groups, etc.):

Cambrian Park Little League (CPLL) has been chosen by Little League® International to play in the 2020 Little League Challenger Division® Exhibition Game in Williamsport, PA. This will mark the first time a team from San Jose has taken part in the Little League Baseball World Series, the world’s premier tournament in youth sports.

Cambrian Park Little League’s Challenger Division began in 2010. It is an adaptive baseball program designed for individuals with disabilities aged 4 to 18, or up to age 22 if still enrolled in school. It is part of the extensive Challenger Division program Little League International, founded in 1989 to give players of all abilities an opportunity to experience the joy of playing baseball. While based in District 9, the Cambrian Park Little League Challenger Division is the only Little League program of its type in San José and accepts players citywide.

I recommend a \$17,000 contribution toward the total cost of the team’s experience as a supplement to CPLL’s commitment to raising the remaining \$75,000 from private foundations and individual donors.
