Section 301  Special Meetings

a. Special meetings of the Appeals Board may be called at any time by the Chairperson, or by four or more members, whenever in their opinion the business of the Board requires it. The notice of a special meeting shall specify the time, place, and the business to be conducted or transacted at the meeting. No other business shall be considered at the special meeting. The notice shall be filed with the Secretary in his/her office. The Secretary shall cause a copy of the notice to be served upon each member of the Board at least twenty-four (24) hours before the time of the meeting specified in the notice, or for such greater period of time as may be required by law or set forth by City policy, rules or regulations, either by personal delivery or by mail. Each member shall, for mailing purposes, file his/her name and address with the Secretary.
b. Written notice may be dispensed with for any member who at or prior to the time the meeting convenes files with the Secretary a written waiver of notice. The waiver may be given by telegram, fax or electronic mail. Written notice may also be dispensed with for any member who is actually present at the meeting at the time it convenes.

c. Written notice of special meeting shall also be mailed or personally delivered to each local newspaper of general circulation, radio or television station requesting notice in writing.

d. The written notice shall be posted at least twenty-four (24) hours prior to the special meeting, or for such greater period of time as may be required by law or set forth by City policy, rules or regulations, in a location that is freely accessible to members of the public.

Section 302 Continued Meetings

Meetings of the Appeals Board, whether regular or special, may be adjourned by the Board to reconvene at a time to be specified by the Board at the time it adjourns. In such event, no other official notice need be given of the time at which such adjourned meeting will reconvene. Any such reconvened meeting shall, in such a situation, be considered a continuation of the prior meeting.

Section 303 Quorum

A quorum to do business shall consist of four (4) members of the Appeals Board, but a lesser number may constitute a quorum for the purpose of adjourning a meeting or adjourning a meeting to a stated time. In the absence of all the members of the Board from any meeting the Secretary of the Appeals Board may adjourn the meeting or adjourn the meeting to a stated time.

Section 304 Procedure

Except as otherwise provided by the Appeals Board, the procedure to be followed by the Board at its meetings shall be that set forth in Robert's Rules of Order. The Board may act by resolution or motion, but an affirmative vote of at least four (4) members shall be necessary for all decisions of the Board except in matters of adjourment.

Section 305 Ayes and Noes

All voting by Appeals Board members shall be by "ayes" and "noes", and shall be entered by the Secretary in the record of the Board proceedings. Upon request of any member of the Board, a roll call vote shall be taken on any matter upon which a vote is called, and shall be recorded by the Secretary in the record of the Board's proceedings.

The order of Business shall be set by the Appeals Board. The Appeals Board may at any time alter the order of business at any meeting.

Section 307 Matter of Agenda

Notification of matters to be presented to the Appeals Board including, but not limited to, documents and exhibits, must be exchanged between the parties, and provided to the Secretary of the Appeals Hearing Board, clearly identifying that the submittals are for the Appeals Hearing Board, identifying the hearing by title, and specifying the relevant hearing date(s), no later than ten (10) days before the scheduled hearing so that there is adequate time for City staff to prepare the packets for the Board members.

The Chair may waive the time requirement for good cause, including occasions when compliance with the time requirement is rendered impossible or impracticable because of the date upon which the hearing is scheduled.

ARTICLE IV
HEARING PROCEDURES

Section 400 Application

The hearing procedures under this Article shall govern all hearings and appeals which the Appeals Board is authorized to conduct by the San Jose Municipal Code or the City Council except for appeals of relocation determinations. Relocation appeals hearing procedures shall be governed by applicable federal and state laws and any applicable City guidelines, rules and regulations.

Section 401 Scope of Formal Review

The Appeals Board shall hear and review the administrative determination of appellants in light of:

a. All of the material on which staff based its determination, including all applicable rules and regulations;

b. The reasons given by the appellant for requesting review of the determination;

c. Any additional relevant documentary and testamentary material submitted by the appellant, and
d. Any further information which the Appeals Board in its discretion obtains by request or investigation to insure a fair, full and impartial review of the claim.

Section 402 Conduct of the Hearing

Hearings shall not be conducted according to technical rules of evidence, however:

a. Oral evidence shall be taken only on oath or affirmation.

b. Admissibility of evidence. Any relevant evidence shall be admitted if it is of the type of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions in courts of competent jurisdiction in this state.

c. Exclusion of evidence. Irrelevant and unduly repetitious evidence shall be excluded.

Section 403 Rights of Parties

a. To call and examine witnesses on any matter relevant to the issues of the hearing.

b. To introduce documentary and physical evidence.

c. To cross-examine witnesses on any matter relevant to the issues of the hearing.

d. To impeach any witness regardless of which party first called the witness to testify.

e. To introduce rebuttal evidence.

f. To be represented by any person who is lawfully permitted to so represent.

Section 404 Findings and Order

a. Within thirty (30) days following the conclusion of the hearing, the Appeals Board shall make written findings of fact, based upon the evidence received at the hearing to support its decision and shall issue an order affirming, modifying, or overruling the determination or order of the City Manager under appeal.

b. The decision of the Appeals Board shall be final and conclusive unless an appeal is authorized by ordinance.
c. Unless an appeal is authorized by ordinance, the finding and order of the Appeals Board shall include the following notice:

Notice to Parties

The time within which judicial review must be sought to review this decision is governed by the provisions of California Code of Civil Procedure Section 1094.6.

d. The findings and order of the Appeals Board shall either be personally delivered or mailed to the appellant within thirty (30) days following the conclusion of the hearing.

Section 405 Standard of Review

The Appeals Board shall not substitute its judgment for that of an administrative officer but shall insure that the determination fully and correctly considered all facts and legal requirements.

Section 406 Burden of Proof

a. In all cases where the Appeals Hearing Board is the first hearing body for an appeal of a decision or order of the City, the burden of proof shall be on the City and the City's case shall be proved by a preponderance of the evidence standard. This standard of proof means that the triers of fact (the members of the Board) determine that the existence of a fact is more probable than its nonexistence.

b. In such cases where the Appeals Hearing Board is hearing the appeal of an appellant from an intermediate administrative hearing officer pursuant to the Municipal Code, the burden of proof shall be on the appellant and the administrative officer's determination shall be upheld if it is based upon substantial evidence. "Substantial evidence" is evidence which a reasonable mind would accept as sufficient to support a particular conclusion. The appellant has the burden of demonstrating to the Board that there is no substantial evidence in the administrative record to support the decision of the hearing officer.

Section 407 Record

A record of the entire proceedings before the Appeals Board shall be made by tape or digital recording or by any other means of permanent recording determined to be appropriate by the Appeals Board. A copy of the tape or transcript of the proceedings shall be available to all parties upon request and upon prepayment of the fee prescribed by the City Council.
Section 408  Continuances

a. The hearing date is firm to ensure the prompt disposition of cases. All parties and their representative(s) must regard the date set for hearing as certain. A party seeking a continuance of the date set for hearing, whether contested or uncontested or stipulated to by the parties, must make the request for a continuance as soon as possible, and specify the grounds for continuance. A continuance may be granted on an affirmative showing of good cause specified in subsection b, and based on consideration of the facts and circumstances specified in subsection c.

b. A continuance may be granted on an affirmative showing of good cause including, but not limited to:

1. The unavailability of an essential witness because of death, illness, or other excusable circumstances;
2. The unavailability of a party because of death, illness, or other excusable circumstances;
3. The unavailability of legal counsel or other representative for a party because of death, illness, or other excusable circumstances;
4. A party’s excused inability to obtain essential testimony, documents, or other material evidence despite diligent efforts; or
5. A significant, unanticipated change in the status of the case as a result of which the case is not ready for hearing.

c. The facts and circumstances to consider in determining whether to grant or not grant a request for continuance including, but not limited to:

1. The proximity between the date of the request for a continuance and the date of the hearing;
2. Whether there was any previous continuance, extension of time, or delay of trial due to any party;
3. The length of the continuance requested;
4. The availability of alternative means to address the problem that gave rise to the request for a continuance;
5. The prejudice that parties or witnesses will suffer as a result of the continuance;
6. The Board’s calendar and the impact of granting a continuance on other pending hearings;
7. Whether all parties have stipulated to a continuance;
8. Whether the interests of justice are best served by a continuance, by the hearing of the matter, or by imposing conditions on the continuance; and
9. Any other fact or circumstance relevant to the fair determination of the motion or application.
Section 409  Oaths

Any member of the Appeals Board or the City Attorney has the power to administer oaths and affirmations.

Section 410  Reasonable Dispatch

The Appeals Board shall proceed with reasonable dispatch to conclude any matter before it. Due regard shall be shown for the convenience and necessity of any party or parties or their representatives.
